

A New Face

(An Editorial)

That we live in a government subsidized society cannot be denied.

There may be a few, but only a very few, who have never accepted some type of gratuity from the government. To that extent we are all guilty for what has happened and is happening to our country.

We do not even hope to see this 30-year-old trend of government interference in private affairs reversed in one day. We do not expect, for instance, agriculture to stand naked and alone in an otherwise subsidized society.

It could not long survive in a country where business, labor and industry are protected and agriculture alone told to root hog or starve.

However, we do believe that we have not yet reached that point of no return whence there is no turning back. Ten dedicated men in Congress could—if they were to lay aside personal ambition—bring about at least a status quo.

Once we halt further encroachment on the rights of states and individuals by the federal government, then and only then will we be in position to extricate ourselves from the morass of socialism into which we already have fallen.

We do not believe that our present Congressman—committed as he is to those who believe in centralized power—is in a position to halt or even deter the growth of bigger government.

For this reason we hail with hope the advent of a new name in political circles of the Eighteenth District. We know little personally of Jack Seale. By reputation we know him as an able young man who is more dedicated to principle than to retaining influence.

We believe this young man will turn out to be a candidate whom we can wholeheartedly support for US Congress.

Contract Given For Court House Annex

Randall County's Commissioners accepted Harold Smith's low bid of \$18,128.36 for construction of an office addition to the South Amarillo Court House Annex Monday during their weekly meeting.

The Commissioners gave the go-ahead after opening sealed bids and told Shiver and Megert Architect and Engineer Company to prepare a contract for Smith and have it ready for the next meeting.

Smith will have the addition completed in 60 days and B.R. Jones moved to accept the low bidder. He was seconded by Glenn Dowlen and the Commissioners' Court voted unanimously to accept this bid.

Other bids included Panhandle Engineers and Contrac-

tors, \$18,236.00 in 85 days completion; Robert W. Boston, \$18,800.00 in 120 days completion; Doyle Construction Company, \$19,800.00 in 120 days completion; Ramey Construction Company, \$20,848.00 in 90 days completion; and Floyd Richards, \$21,624.00 in 130 days completion.

The second largest business for the Commissioners was awarding a sale of a Sheriff's car to Canyon Motor Co. Sheriff L.S. Johnston told the Commissioners he has had less trouble with an Oldsmobile and the repair cost have been lower. Upon Johnston's recommendation, the Commissioners voted unanimously to buy a Sheriff's car from Canyon Motor.

The bid on an 88 Oldsmobile equipped with a 280 horsepower motor, large heater and defroster, back-up lights, two spotlights, positive traction rear end, electric washer and wipers and tinted glass was \$2,474.13. Other bidders included Economy Motors of Amarillo with a Studebaker pursuit Lark, Imperial Chevrolet Company, Amarillo Motors bidding on a Ford, and Bruce Blackaby on a Ford.

City Manager Bill York and Fire Marshal Charlie Foster told the Commissioners the county's Ford fire truck motor had two cracks in it and would need fixing. They said it would cost a little over \$300 for a motor. Foster explained the reason for the motor cracking was over-loading it on the soft farm fields. The motor has to drive the truck and also pump water to put out fires.

The Commissioners decided to check on fixing the Ford and make a decision on this matter

Haley Elected Fire Chief Of Volunteers

Jack Haley has been named fire chief of the Canyon Volunteer Fire Department.

He succeeds Bill Sternberg in that capacity. Sternberg has served several terms as chief of the Canyon fire brigade.

Roland Hicks was re-elected assistant chief in the department's election of officers held Wednesday night of last week.

Welton Sargee was named president of the department. Bill Brundage was elected vice-president and Jim Christopher was elected secretary.

Three new members were added to the department. They are H.R. King, Blake Zachry and Bill May. This brought the department to full strength with a total of 30 members.

CANYON'S FIRST BABY of 1962 is proudly shown by her mother, Mrs. Pete Aragon. The child was named Agnes Rose and was born in Neblett Hospital at 8:04 a.m. Tuesday. Agnes Rose weighed a healthy seven pounds and 14 ounces and was 20 inches long at birth. The Aragon's have two other children, Beverly Kay, five-years-old, and Cynthia Ann, three.

Temperature Dips To Four Below Zero

Old Man Winter touched Canyon once again with his icy fingers, recording the longest and coldest siege of bad weather this season.

Canyon first felt the northern blast last Thursday when it snowed nearly one inch, but the winds reached gusts up to 63 miles per hour to make it seem worse. Old Man Winter left his scar here for two days and then waited until Monday to give one of his better performances. The temperature dipped to four below zero and it snowed three and one-half inches. However, the wind reached only 28 miles per hour.

With the low of four below on Tuesday night, Canyonites didn't get much warming-up on Wednesday. The temperature read only five degrees above at 2:30. The Amarillo weather bureau expected the thermometer to reach nine before it started its downward trend that night.

The Amarillo weatherman predicted it would be Friday afternoon before the temperature would register above the freezing mark and then it would be only with slowly warming effects.

Dr. M.B. Measamer, West Texas professor, reported it snowed three and one-half inches in Canyon and the moisture content was only .28 of an inch this week.

Although this portion of bad weather froze-up water pipes in houses, little damage has been reported by the utility companies. Joe Gidden, man-

ager of Southwestern Public Service, said all lines are in working condition. "We had a little trouble last Thursday night and early Friday morning when the electricity went off for approximately thirty minutes. We had a breaker out at the sub-station and it caused a temporary shut-off." At Umbarger, they had a little more trouble as a line broke and shorted out.

H.R. King, manager of Pioneer Gas, said they had been

(Continued to page 8)

Man Charged After Mishap

Kern French was arraigned Wednesday afternoon on a charge of driving while intoxicated, second offense, and his bond set at \$1,000, according to Gilbert Ray, highway patrolman.

A car occupied by French was involved in an accident Sunday afternoon about 4 miles north of Highway 60 on VFW Road, according to Ray.

Injured in the mishap was Veva Lolette Chamberlain of Amarillo. Patrolman Ray said the woman suffered a leg fracture and broken ribs. She was treated at Neblett Hospital and then transferred to Northwest Texas Hospital in Amarillo.

Officers said French's car swerved off the road and into a ditch. The vehicle was badly damaged.

IN WORLD AFFAIRS

Troubled Times Ahead For U.S.

Congressman Walter Rogers painted an ominous picture of world affairs here Thursday night of last week as he spoke at the annual banquet of the Canyon Chamber of Commerce.

Rogers said much of our trouble south of the border has stemmed from the fact that in the past we have tried to do business with dictators in this area.

"When you have a dictator, yours or someone else's, you

are going to have trouble," the congressman from Pampa declared.

Of Castro, Rogers said there was no question of his being a communist. He said Castro appealed to the peasants--the very poor, the people who had nothing in Cuba.

In many of the Latin-American countries, Rogers pointed out, there are only two classes of people, the tremendously rich and the tremendously poor.

He said the Castro regime swung the peasants into line by promising them land. He said the peasants as well as the rich and middle classes of Cuba have been disappointed. The peasants had expected land reform. The government took the land instead. Rogers

(Continued to page 2)

City Dads Pass Dog Ordinance

Dogs running loose on the streets of Canyon will be a thing of the past after April 1. The City Commissioners passed a canine ordinance at their meeting Monday night.

The new ordinance will put all stray and loose dogs under the jurisdiction of an animal warden, and will eliminate packs of dogs roaming the streets. This action was taken by City Dads after many weeks of discussion and writing an ordinance to fit the needs of Canyon.

Bill York, city manager, said the ordinance was designated to stop packs of dogs running loose. York said this could help prevent the possible action of packs of dogs attacking children as they have in some cities.

He said the April 1 date for the ordinance going into effect was to give dog owners a chance to get their pets vaccinated and tagged. York also said it would

give the owners ample time to build enclosures.

Copies of the ordinance will be available for the public late next week.

Dr. Joe Markham will function his veterinary hospital as an animal pound when the ordinance goes into effect and the ordinance also provides for cats being vaccinated for rabies.

Bill Money appeared before the Commissioners and an agreement was made concerning the Money addition. The agreement defined the Money Addition number 1 as to blocks 1, 2 and 4. In these three blocks, there will be 57 lots.

Canyon's City Dads officially named streets west of First Street and the word "West" will appear before all streets and avenues in this area. All these streets are west of the

(Continued to page 2)

STRONG WINDS blew the large snow flakes parallel with the ground on Friday and obscured visibility in downtown Canyon.

Special Venire Called

The first Randall County special venire since 1956 has been called for next week in the District Court of Judge Gene Jordan.

The special venire includes 144 persons selected for possible jury service.

Five cases have been set for this term of court.

The case arousing most interest probably is that of John Wesley Hanson who is charged with murder. He is charged in the 1958 shooting death of Sam Lantrip.

Leonard Marcus Gunn is under indictment on a statutory rape charge.

Thomas Edward Ebert is charged with driving while intoxicated, second offense.

Norman McRae is charged with theft.

Anthony Cantino is charged with burglary. A mistrial was called in a previous trial when the jury deadlocked.

125 Entries Received For 15th Annual Show

One hundred and twenty-five entries have been received for the 15th Annual Junior Livestock Show, which will start at 1:30 tomorrow afternoon in the new Livestock Building.

The Junior Livestock Show is a combination of a show and sale for Future Farmers and 4-H-ers. It begins Friday and ends Saturday night with a sale.

Orville Hicks of Canyon will judge the horse class, while Larry Tackitt of Happy will judge the steers, lambs and hogs.

Dairy heifers will be judged Friday at 1:30 and Jerry Crain, Chester Hales, Rick Hales, Michael Henders, Eddie Henders, Sharon Henders and Robert Cook will show their animals in this class for 4-H-ers.

At 3:30 p.m. Friday horses will be judged. Four-H-ers entered in this class are Larry Dirks, Jerry Crain, Chuck Smallwood, Phil Fletcher, Joe Fischbacker, Mike Raef and David Erwin.

Swine judging will begin at 9 a.m. Saturday and entries have been made by Vance

Robinson, Allen Hicks, Dick Cummins, Ronny Hufnagle, Joe Keith Wise, Bob Gruner, Cindy Gruner, Chuck Smallwood, Kevin Ted Allen, Jerry Crain, Wayne Friemel, Larry Parsons, Bernard Buecker, Dan Rahlfs, Johnny Hoffman, Greg Lair, John Shipman, Jon Lair and Mark Lair.

Four-H steer entries include Larry Dirks, Larry Robinson, Cindy Gruner, Bob Gruner, Mike Dufenhoeffer, Linda Dufenhoeffer, Rick Hales, Chester Hales, Glenn Hal-

(Continued to page 2)

GROOMING one of his steers for the Junior Livestock Show is Red Parker, a freshman at Canyon High School. Red's Hereford steer will weigh over 1,000 pounds and will be entered in the heavyweight class. Red is the son of Mr. and Mrs. J.O. Parker.

TROUBLED TIMES

(Continued from page 1)

said this is a communist tactic to grab the land and hold it and in so doing maintain communism in power.

"Castro fibbed to the people," said Rogers.

Then Rogers made a surprising statement. He said he did not know whether Castro took this action of his own accord or was forced to do so by the communists.

Rogers said the burning need in South America is to place the foreign aid there in such a manner that the people will benefit and know from whence it came.

Rogers had little to say about the Soviet Union but pointed to Red China as the nation fomenting world revolution.

"It isn't all bad," said Rogers of the European common market. In the European common market six nations have agreed to remove inner tariff in favor of one outer tariff.

He said these nations have enjoyed 5 percent economic growth over a like period in which this country enjoyed an economic growth of only 3 percent.

Of Africa, Rogers said some problems defy solution.

"Some people in Africa were so ignorant they thought they would turn white when they received independence," the congressman declared.

They are nations now, with no idea of self-government but they have a vote in the United Nations that counts for as much as a vote by the U.S., Rogers went on.

He said Russia is looking for a foothold in Africa with its vast natural resources.

On Southeast Asia, Rogers said Red China is looking for a chance to start a war. "Russia is afraid of China," the congressman asserted. He said that if Southeast Asia falls to the communists a terrific fight could develop between China and Russia over control of that area.

He said Sukarno of Indonesia is a key figure in that area. "We can depend upon the Philippines and Formosa as friends," Rogers declared. Ja-

pan is changing toward friendship toward the United States.

"There is not a spot in the world untroubled," the congressman reported.

On the domestic front, Rogers made several points.

"The opportunity plan at West Texas State is better," he said of federal aid to education. He declared that federal aid most certainly will bring federal control.

He visualized a time when a child must graduate from a federally approved high school in order to attend college.

"It will not solve the problem," he said of medical aid for aged tied to social security.

"Seventy percent of the tax dollar is spent for defense," he said of federal spending.

He called for a checking committee responsible to Congress to keep tab on the various departments of government which spend tax money.

"I'll bet you we can cut the budget 10 percent if we can get a checking committee," he said. He called for a constitutional amendment which would require that a certain percent of tax revenue be spent for retiring the national debt.

Of the country's military status, he said this nation has never been stronger and that our military capability is greater than that of the communist world.

Congressman Rogers was introduced by Dr. James P. Cornette, president of West Texas State College.

Master of ceremonies was Joe Gidden, outgoing president of the Canyon Chamber of Commerce. Introducing members of the Chamber board was Carroll Vaughan, new board president.

Congressman Rogers presented an Emilio Cablero painting by Boone McClure. Gidden received a past president's plaque from President Vaughan.

W.A. "Bill" Wilson was presented a plaque as Canyon's man of the year.

The gathering was entertained with a minstrel skit enacted by several wives of Chamber of Commerce members.

FROM THE

CANYON RIM

By Troy Martin

"It isn't all bad."

In our opinion this four-word sentence was a key portion of the address here Thursday night of last week by Congressman Walter Rogers of Pampa.

The Congressman was speaking of the European common market. This is an economic federation of six European nations without inner tariffs and with high outer tariffs.

The United States already is being guided toward that union.

CONTRACT GIVEN

(Continued from page 1)

at the next meeting.

Bill Money, County Tax Collector and Assessor, asked the Commissioners to adjust salaries of hired county employees. Money said there was a large difference between salaries for some of the employees.

The Commissioners discussed the matter for a few minutes and Clarence Beckman said he would like to have our tax rate set before discussing salary raises. Without tabling the discussion, the Commissioners went to another topic.

The County Commissioners talked about the blanket bond program and decided to wait until they could receive more information about the coverage and cost.

Other business the Commissioners acted upon was asking for bids on paving of six miles of road near the McMurry Acres. They also discussed the possible natural gas regulations on companies by the Railroad Commission. A petition prepared by the Plains Irrigation Gas Users Association asked for these regulations and wanted the Court to approve and sign their petition. C.Y. Johnson voted to table it and B.R. Jones seconded it. Judge Wayland Angel voted with them to break a tie and he had the motion amended to let the other Commissioners sign the petition if they wanted to.

W. V. York, resident engineer for State Highway Department, told the Commissioners about the future paving of five miles of Farm to Market Road 2394 in the eastern part of the county, and about the first leg of a proposed loop around Amarillo. He said this would be the first segment and at first would be two lanes, until traffic demanded a four-lane divided highway. It would start at the Hollywood Corner and run east from U.S. Highways 60 and 87.

Mrs. J. W. Fain, Sue and Kay, went to Carlsbad, New Mexico, recently to visit with J. W. Fain who is working in that city.

and our Congressman thinks it isn't all bad. He left little doubt in our mind as to what his position will be if the question is ever brought to a vote in the House of Representatives.

Such a common market means economic union. Economic union is only a step away from actual political union. Is this what the people of the Eighteenth Congressional District want?

Economic and/or political union with the common market means in the long run that the standard of living in this country will eventually parallel that of the other member countries.

Rogers pointed to the prosperity of the common market countries. What he did not point to was the fact that members of the common market have drawn heavily upon American foreign aid in the past. A point that ranks many Americans is the fact that countries receiving foreign aid have invested more than \$11 billion in American securities.

The U.S. is paying interest on money purportedly kicked in to help "underdeveloped" or war-ravaged nations to get back on their feet.

Mr. Rogers expressed himself as vehemently opposed to federal aid to education and socialized medicine. He did himself no honor in so doing.

Mr. Rogers campaigned for John F. Kennedy and Lyndon B. Johnson. He had every right to do so but in this act he chose his political bed fellows. Now let him sleep with them.

Having campaigned for a platform the very basic planks of which were federal aid to education and socialized medicine, let the Congressman not come crying "conservative" in a time of conservative resurgence.

If indeed he has had a change of heart, let him renounce the Los Angeles platform where it will do the most good--on the floor of the House.

The Congressman last Thursday night expressed concern lest he lose influence with his fellows in Congress should he make too much noise about excessive foreign aid, socialized medicine and federal aid to education.

Thank God Patrick Henry wasn't worried about his influence when he rose that day in the Virginia House of Burgesses to shout, "Give me liberty or give me death!"

125 ENTRIES

(Continued from page 1)

ey, Kent Barnard, Ben Byrd, Eugene S. Bonds, Jr., Rob Barnard and Barry Lindsey.

Entries in the lamb division include Cass Dewey, Vance Robinson, Jim Wiecek, Arnie Wiecek, Jerelyn Wise, James Haley, Roger Burk Gist III, Deborah Johnson, Jo Johnson, Gary Fletcher, Phil Fletcher, Allan Fletcher, Marjorie Miller, Bill Miller, David and Johnny Burrell.

Members of the FFA club at Canyon High School entered in the show are Dean Anderson, three pigs; Wesley Bourn, three pigs; Sam Brillhart, pigs; Richie Brotherton, pigs; Randy Buttrill, pigs; Robert Cooke, one calf; Lee Cooper, one pig; George Cox, one calf and a pig; Claiborn Crain, pigs; Sam Cunningham, pigs; John Cunningham, pigs; Herbert Edes, calves and pigs; Bobby Evans, pigs; Don Freeman, lambs; Reggie Gilbert, calf; James Gouge, two calves; Jerry Ham, two pigs; Don Hawkins, two lambs; Marion Hicks, two pigs; Scott Holcomb, one horse; Harry LeGrand, one calf; Glen Metcalf, pigs; Henry Meyers, one calf, pigs and lambs; Bill Miller, lambs; Larry Moore, pigs; Skip Moore, one horse; Jimmy Newton, lambs; Danny O'Donald, pigs; Red Parker, calves; John Plank, lambs; Bill Richey, pigs and one horse; Calvin Robinson, pigs and one horse; Don Rogers, pigs; Johnnie Sikes, pigs; Bill Stocker, pigs and one horse; Teddy Vance, pigs, lambs and one horse; Doug Ward, pigs and one horse; Doyle Welch, pigs; and Larry Wesley, pigs.

Boys' and girls who live in the Happy school district will show their animals in the Happy show on Friday.

Hilltop Views

By Dr. J. A. Hill

The annual meeting of the Canyon Chamber of Commerce last week was a huge success in the eyes of this humble "common-tater." The crowd, while perhaps not a record breaker, was very good and the spirit of fellowship strongly prevailed.

One significant feature was the large percentage of relatively young new citizens. Had it not been for the platform personnel I might have had to look about a bit to see if I were not in one of our neighboring communities. It might be worthwhile for our town to have a big get-acquainted party with a view to putting a little fire under the "melting-pot."

It was also noticeable that Bob Clark served delicious food in ample quantity and that the music, though not exactly classical in kind, was quite colorful and very entertaining, if applause is any criterion.

Of course, the feature of the evening was the address by Congressman Walter Rogers. Naturally he dealt with our national problems -- mainly foreign affairs. In our opinion it was just about the best interpretation of world conditions and this country's relation thereto that I have heard in quite some time. For one thing the speaker showed wide acquaintance with facts and conditions in most all the critical areas of the world. While he offered few solutions he did give us some of the tools with which to do our own thinking.

For example, he reminded us of the economic and political conditions in Latin America. Theoretically most of their governments are republics, though in fact they are largely dictatorships. Wealth is in the hands of a few and the masses live in abject poverty.

This situation puts our government on the spot. According to international law official relations between any two countries are required to take place between the then existing governments of those two countries. For any one nation to deal with any other agency than official authority is to be guilty of meddling, and insult. Consequently, when our country adopted the policy of foreign aid, dictatorships in Latin America expected a sizable share. If they did not get what they wanted they leaned toward Moscow. Internal economic conditions furnished a rich seed-bed for communism.

On the other hand, whatever aid the U. S. sent to dictator countries was appropriated to personal uses by government officials and their opulent friends. Little aid went where it was most needed. So, whether we sent aid or not the masses were left about where they were in abject poverty and ignorance. As a consequence leaders rose up in Latin America who accused our republic of assisting dictators. Is it, then, any wonder that mobsters down there threw rotten eggs at our Vice-President? Is it surprising that communism is taking root in South and Central America?

Congressman Rogers did not say so, even indirectly, but as he talked I could not help asking myself the question: Did large corporate American capital monopolize opportunity in Cuba, controlling its economy, its land, and possibly its politics and thus condemning Cuba's masses to a low standard of living? Could this situation explain the success of Castro's revolution? After all, are a few Americans responsible for the fact that Cuba's capital is now Moscow?

I am not saying this is true, but when I remember that for at least 50 years after the Civil War and to some extent for a longer time special interests in New England and the Middle Atlantic States held the South and laboring classes in fiscal bondage. I am not so naive as to believe that the virus of unconscionable greed has been stamped out. If you think it has, all I ask you to do is to remember very recent revelations at the top of our industrial system.

But back to Chamber of Commerce and Mr. Rogers. The Congressman treated Europe, Africa, and South and East Asia in the same factual way that he treated Latin America. Africa, he said, is the greatest puzzle of all. Great masses of its people are little removed from the beasts of the field. There is so little there to build upon. Yet, its natural resources are almost unlimited. Conceivably, it seems, the dark continent will offer a full supply of international problems for an indefinite future.

However, Congressman Rogers did hold out one hope for Americans in the over-all current picture. He declared that those of us who keep repeating that this country is face to face with the greatest crisis in all its history are forgetting something: that the problems we face, the sacrifices we are called upon to make, the suffering that threatens us is inconsequential when compared with what our forefathers underwent in the American revolution; and he might have added in the Civil War and its aftermath. If this be true (and I am not prepared to deny it) the pessimism that blights our outlook today should be promptly dispelled. Though at times I am myself discouraged as I see the apparent erosion in the character of our people, and the continuing expansion of an ideology (communism) that is wholly contradictory to all the humane concepts upon which my country is built I am reminded from day to day that God created man in His own image. I cannot believe that He will abandon such a creature to the forces of destruction. He still has His hand on the throttle and it is ours to co-operate with Him on every field of battle where the Devil and his cohorts challenge us.

Thank you, Mr. Congressman, for your very timely address!

Jack Seale In Race For US Congress

JACK SEALE

Jack Seale, youngest Mayor of any major city in the State of Texas, announced today that he will be a Republican candidate in the primary election, to be held May 5, for the United States representative of the 18th Congressional District of the State of Texas.

Seale is a native West Texan, born, reared, educated and lives in Amarillo. He has been actively engaged in the home building business since 1947. He is 34 years old, married, his wife's name is Polly and they have five lovely children--two daughters, Pamela, aged 13, and Rose Mary 12--three sons, John David, 8, Kelly Louis 5, and James Patrick, 1 year old.

Seale was elected when he was 33 after serving two years on the City Commission prior to being elected mayor. His activities during the past several years have included participation in various civic projects; he is an active member of St. Andrews Episcopal Church, one of the organizers and a director of the North State Bank, plus the many duties required as a commissioner and mayor. Seale believes in government based upon the principles as outlined by the Constitution and the Bill of Rights of the United States.

He believes that local government is the level at which most decisions can best be made. He does not believe in the federal government usurping the rights of the states and the local communities as is presently being done on an ever increasing scale. Seale has shown by his actions that he is a true conservative, he believes in the rights of the individual, that every individual has responsibilities that he must fulfill; are: first, to God; second, to Country; and third, to his family.

His decision to seek election as a Republican candidate was based on a belief that the Republican party in the 18th Congressional District has proven itself by its actions and by its candidates to believe in the principles as outlined by the Constitution of the United States.

Seale, and his supporters promise that they will conduct an active and an aggressive campaign throughout the district for his election to the Congress of the United States. (Pd. Pol. Adv.)

Visitors in the Canyon homes of the Louis G. Henders' and Mrs. W.C. Black were Dr. Bragford Black and family of Beaumont. Dr. Black is a brother of Mrs. Henders and son of Mrs. W.C. Black.

Conservatives Hold Meeting

A group of 41 people met in the American Legion Hut last Thursday at noon to begin organization procedures for a Conservative Club for Canyon.

At their second meeting today at noon, a nominating committee will present their list of candidates for election for the new club. J.C. Barker, T.S. Stevenson and A.B. Holt were appointed to this committee by temporary chairman C. A. Murray.

At their first luncheon meeting, this group heard Don Hughes of the Amarillo Conservative Club talk a few minutes before he played two tape recordings on conservatism.

The Conservative Club is a non-partisan group and both democrats and republicans are members of the clubs through-

out the nation.

Their purpose is to preserve the American way of life.

The public is invited to attend the luncheon at the Legion Hut today at noon.

He is stationed in Germany. Mann is serving as a clerk typist in the headquarters company of special troops. He has been in the service for the past two years.

Graham Buys 24 Heifers

Bridwell Hereford Ranch near Wichita Falls registered one of the most impressive sales in recent months as \$361,400 was collected for 205 head of young bulls and heifers. The total receipts for a one-day sale were believed to be a record.

The pens-of-heifers found exceptional demand with less than one hour required to sell 102 head. Walter Graham, Happy, bought a total of eight pens, averaging \$1,362 for each of the 24 head making up his selections.

Graham also went to Bozeman, Montana, December 14-15, where he bought 16 head of cows and heifers for his herd.

Hill-Richardson Wedding Is Performed in Church Parlor

MRS. JAMES N. RICHARDSON

Wedding vows were exchanged by Miss Carol Hill and James N. Richardson in a ceremony performed at 2 o'clock in the afternoon, December 31, in the parlor of the Canyon

First Methodist Church. The Rev. Newton Starnes, pastor, officiated at the double ring service.

The bride is the daughter of Mr. and Mrs. James A. Hill,

2109 Thirteenth Avenue, Canyon, and the bridegroom is the son of Mr. and Mrs. J. Arthur Richardson of Carlsbad, New Mexico.

Forming the background for the rites were arrangements of greenery, flanked by two candelabras each holding five tall white tapers, and decorated with large clusters of white chrysanthemums and daisies. On the piano was a bouquet of red roses.

Preceding the ceremony, selected nuptial music was played at the piano by Mrs. W. J. Strubling. Traditional wedding marches were used for the processional and recessional.

Lighting the candles were Linda and Debbie Hill, sisters of the bride. They wore ballerina length dresses of white taffeta designed with full skirts, and accented with sashes, headpieces and mitts of deep rose. Each wore a wristlet of white carnations and red roses.

Matron of honor was Mrs. Frank E. Getman, Amarillo, also a sister of the bride. She was attired in a ballerina dress of deep pink taffeta, with full overskirt of pink organza in a lighter shade. Her sash tied in a bow at the back, and she wore a headpiece and mitts of matching material and color. Her bouquet was of white carnations and red roses.

Best Man was Dan Richardson, of Las Cruces, New Mexico, brother of the bridegroom. Ushers were Don L. Hill, Amarillo, and Sgt. James H. Hill, of the United States Marines, both brothers of the bride.

Escorted to the altar and given in marriage by her father, the bride chose for her wedding a ballerina length gown of satin embroidered with organza over ivory satin. The dress was fashioned with fitted bodice, round neckline and bouffant elbow length sleeves. The close fitting headpiece of embroidered organza over satin held the billowing veil of bridal illusion. The matching mitts

WANDA MABRY

Church Wedding Rites Planned by Couple

Mr. and Mrs. Truman Mabry of Tell announce the engagement of their daughter, Wanda, to Duane Verschelde of Minnesota, the son of Mrs. Elling Haugen of that city. The couple will be married in a ceremony performed January 20, at 7:30 p.m. in the South-

side Baptist Church of Tell. The bride-elect is enrolled as a senior student at West Texas State College, and will be graduated at the close of the first semester. The prospective bridegroom is associated with the Rolph Construction Company.

(Continued on Page 7)

Parent-Teacher Association Will Hear David Lipscomb

"Work of the Hearing Clinic" will be the program topic when members of the Parent-Teacher Association meet in the Canyon High School Auditorium Thursday evening, January 18, at 7:30. Speaker for the occasion will be David Lipscomb, audiologist for the Amarillo Regional Hearing and Speech Foundation and assistant professor of speech at West Texas State College.

The speaker will explain the area program for persons with hearing difficulties, and a discussion will follow concerning the availability of facilities for educating the deaf and also

giving a presentation of the hearing test center located on the campus of West Texas State.

Lipscomb received BA and MA degrees from Redlands University in speech correction, and he has spent two years in post-graduate work at Purdue University where he received his training in audiology. He came to Canyon in July of 1960 with his wife, Dixie Lea, and two sons, Scott and Steven.

The hearing clinic has seen over 300 persons for complete hearing evaluation at the hearing test center on campus. These people have ranged in age from 10 months to 93 years. They have come from over 50 communities in eight states.

The test center is one of the leading centers in the state in that it is one of only six authorized to take referral cases from the state department of health. In a few months with the addition of new equipment now on order, the center will be the second best equipped in the state and the best equipped hearing test center located on a college campus in the state of Texas.

The speaker has tested over 2500 public school children in the past year, nearly 600 of them in Canyon. Within the next month, the Canyon school children will again be tested.

There are approximately 30,000 persons in the Texas Panhandle who have some form of hearing difficulty, the audiologist states. The hearing test center has been created for these people. Before its establishment, people desiring complete hearing tests would have to travel to Dallas, Houston, Denver, or Oklahoma City to obtain the same tests which are offered here in Canyon at the present time.

St. Mary's Groups View Travel Films

St. Mary's Altar Society and Altar Confraternity of Christian Mothers met in the church basement at Umbarger, January 2, at 8 p.m. Mrs. Leonard Batenhorst presided over the business session. Twenty members were present.

Hostesses for the occasion were Mesdames Max Koch, George Liekhus, and Lewie Raef. February hostesses will be Mesdames E.N. Reinhart, Dillard, Schenk and E.A. Stocker.

Color movies made by Mr. and Mrs. Bob Chambers on their vacation last September were shown to the group. They included sites of interest in Tennessee, Michigan, Delaware, Pennsylvania, New York City and Rhode Island.

Chi Upsilon Has Program

Mrs. Elmer Clements was hostess to members of Chi Upsilon Chapter of Beta Sigma Phi when they met for their regular program in the Girl Scout House Wednesday evening.

Mrs. Clements, vice-president, presided in the absence of the president, Mrs. Jack Berry.

The program topic was, "You and Your Audience", presented by Mrs. Ben Wade. She outlined the proper methods of speech making.

Refreshments were served to Mrs. Bob Brotherton, member advisor; Mrs. Charles Nester, sponsor; and Mesdames Joe Abbott, Jim Christopher, Jerry Johnigan, Clifton Newberry, Allen Simpson, Troy Jordan, Roy Francis, Bob Henry, Bill Mayfield, Clement, Wade and Miss Virginia Rossiter.

Daughter Born To Jack Berrys

Chris Adrian is the name of the baby daughter born to Mr. and Mrs. Jack Berry, Dec. 22, in Nebbett Hospital. The baby weighed seven pounds, one ounce, and has a brother, Elliott, 3 years old.

Grandparents are Mr. and Mrs. R.V. Dawdy of Canyon and Mr. and Mrs. Cecil Berry of Covina, California.

Presbyterian Church Services Announced

In observance of the Epiphany season, the congregation of the First Presbyterian Church will be led in the celebration of the Holy Communion of the Lord's Supper on Sunday morning, January 14, at the 11 a.m. service. Ruling Elder William Moore, Chairman of the Worship Committee, with committee members: Ruling Elders Robert Jarrett and Hatcher Brown, are in charge of arranging the celebration. The new Memorial Chalice will be used for the first time during the service.

Dena Nicholas, Moderator, John Harper, Vice-Moderator, Linda Markham, Secretary-Reporter, and Ricky Wilson, Sergeant-at-arms, will lead the Junior Fellowship for the evening program on Sunday at 6:30 p.m. They take office on next Sunday, and will be assisted by Rodger Wilson, song leader.

The Junior-High and High School groups meet at the same time on Sunday. They are making plans for the observance of Youth Sunday, January 28, when they will assume full responsibility for the service and its presentation.

Delta Zeta Alumnae Chapter Hears Discussion by Panel

MEMBERS OF THE PANEL who presented the program for the Delta Zeta Alumnae Chapter when it met Monday evening in the home of Mrs. J. O. Parker, include, seated, left to right, Mrs. Jim Curtsinger, Mrs. Charles Harter, Mrs. W.R. Wilson and Mrs. Charles R. Nester. Standing are, Miss Elizabeth Davidson, Mrs. Gort Rushmer, Mrs. David Mathis, Mrs. Flora Phillips and Miss Ruth Cross.

The Canyon Delta Zeta Alumnae Chapter held its regular monthly meeting Monday, Jan. 8, at 7:30 p.m. in the home of Mrs. J. O. Parker, 1601 Eighth Ave. The program was a panel discussion on the subject "Furthering Panhellenic Relations on Campus and in the

Dean Phillips Are Parents of Boy

Mr. and Mrs. Dean Phillips are the parents of a son, Tommy Dean, who was born Dec. 29, in Nebbett Hospital. The Phillips also have a son, Douglas, 8 years old.

Grandparents are Mr. and Mrs. James Jennings of Canyon and Mr. and Mrs. M.E. Phillips of Hart.

Christian Church To Hear Guest Speaker

Mrs. Irineo Santos, the Philippines, will be the guest speaker at the 10:50 morning worship service at the First Christian Church this Sunday. Mrs. Santos is a teacher in the Christian schools of the Philippines, and is currently studying on her Master's degree at Texas Christian University, Fort Worth.

Mrs. Santos came to the States last summer and soon after her arrival she was called upon to speak at the North American Ecumenical Youth Convention. This fall she spoke to the United Church Women convention held in Miami, Fla. This spring she will speak at the Women's session of the Texas Convention of the Christian churches which will be held in Fort Worth.

At the 7 o'clock evening service, Mr. George Kuykendall, of Lubbock, will be guest speaker, and he will show slide pictures of his world tour of the Christian Mission stations. Mr. Kuykendall is head of the Kuykendall Investment Company of Lubbock. The regular mission study classes will be held at 6 o'clock with classes for each age group.

Club Pledges Are Initiated

Delta Zeta social sorority initiated seven new pledges on Sunday, Dec. 17, at their meeting held in the Joseph A. Hill Memorial Chapel.

Girls initiated included Paula Blevins, Memphis sophomore; Linda Dodd, Borger sophomore; Wanda Lawrence, Plainview freshmen; Jan Mitchell, Memphis sophomore; Sandi Sandlin, Lubbock freshmen; Glenda Green, Stratford sophomore, and Nell Smith, Olton senior.

Following the initiation a party was given in the home of Mrs. Alfred Bellah.

Refreshments were served and awards were presented to the following: Best pledge, Wanda Lawrence; Meanest pledge, Nell Smith; Best "Goody Box", Glenda Green; Best scrapbook and pledge book, Jan Mitchell.

The week prior to initiation was inspiration week for the pledges.

St. Andrew's Chapel Is Scene For Double Ring Nuptial Rites

Miss Carol Sue Moorhead and Michael Wheeler were united in marriage when a double ring ceremony was performed December 24, in the chapel of St. Andrew's Episcopal Church in Amarillo. The bride is the daughter of Mrs. Albert Schrib and R. A. Moorhead of Denver, Colorado, and the bridegroom is a son of Mr. and Mrs. Harry Wheeler of Canyon.

Officiating at the candlelight ceremony was the Rev. Evans Moreland, rector of the church. Mrs. Evans Moreland and Michael Hood attended the couple.

For her wedding, the bride chose a kelly green wool suit and a white feather hat. A reception was given immediately following the ceremony in the church parlor. Mr. and Mrs. Wheeler are at home in Austin where he is

attending the University of Texas.

Mrs. Win Matsler Is Variety Hostess

Mrs. Win Matsler was hostess to the Variety Ring in her home on Friday afternoon. Thirteen members answered roll call by telling about their Christmas holiday. Mrs. J.P. Hammons presided in the absence of the president, Mrs. Levi Cole. Dues were collected for the coming year.

Present were Mesdames Fred Marshall, George Barker, Jeannette Robbins, P.L. Pitt, Mae Johnson, Earl Burtz, Rae Walters, Lang Hunter, Leonard Winters, Leslie Neal, K.E. Hines, Hammons and Matsler. Next meeting will be January 19, with Mrs. Fred Marshall as hostess.

Senior Piano Recital Will Be Given in Fine Arts Building

PATSY ROBINSON

Sunday afternoon at 3 o'clock, Patsy Robinson will present her Senior piano recital in the West Texas State Fine Arts Building. Patsy is the daughter of Mr. and Mrs. Edgar Robinson, who live south of Canyon, and is a Senior student in Canyon High School.

Patsy has studied with Mrs. Ples Harper and feels that much of her success is due her music instructor. She also studied under the direction of Mrs. Art Arnold of Amarillo during the summer and won her high school diploma in music and received a credit for her work.

Among her activities, Patsy has played for the F.H.A. and the church, teas and other social functions. She has studied 13 years which include classical, modern and popular music, and has done extensive theory research.

Honors won are an A-1 rating in solo and sight reading at the college festival in 1961, and Patsy plans to enter the festival again this year. She

also entered the National Piano Playing Auditions in social and solo playing and has maintained a 95 or above average score.

Besides her music, Patsy is First Vice-President of the F.H.A., is a member of Future Teachers Association, and participates in all school functions and socials. She is applying for her State Degree in Homemaking, is Worthy Advisor of the Order of the Rainbow for Girls in Happy, is manager of the Canyon Basketball Girls, and is a member of the First Methodist Church in Happy.

Included in Patsy's recital program will be "Moonlight Sonata," Beethoven; "Invention," Bach; "Playful Lambs," Castor; "Mirage," Gillock, and "Concerto Theme," Ischarkowsky.

Assisting will be the "Teen Queens" who will present special vocal numbers. The public is invited to attend the recital.

PICTURED ABOVE are twelve past-presidents of the Sue Hite Club who were honored by that group with a tea given Monday afternoon in the home of Mrs. Clay Cooper. They are, left to

right, Mrs. Herschel Jennings, Tulia, and Mesdames A.H. Prichard, J. O. Parker, W.F. Haggard, R. F. Phillips, Rex Reeves, D.M. Foster, W.E. Miller, A.L. Walsh, Mitchell Jones, J.D. Barker and Virgil Henson, all of Canyon.

Sue Hite Club Gives Tea to Honor Past-Presidents

Past-presidents of the Sue Hite Club were honored with a tea given Monday afternoon in the home of Mrs. Clay Cooper for members of that organization. Co-hostesses with Mrs. Cooper were Mrs. Sidney Burgess, Mrs. A. K. Goodman and Mrs. T. V. Crouse. Mrs. R.D. Wheelock is president of the club.

Mrs. Kermit Pond gave the invocation, and guest speaker was Mrs. Fred Wagner of Amarillo. Mrs. Wagner discussed, "Antiques of the World and What Makes Them So." The speaker is a collector of antiques and lecturer on this subject. Sue Hite members brought antiques from their homes for a display.

Mrs. Wagner was presented a corsage in appreciation of her visit with the group.

Past presidents introduced were Mesdames A.H. Prichard, W. E. Miller, A. L. Walsh, Mitchell Jones, J. D. Barker, Virgil Henson, D. M. Foster, W. F. Haggard, Rex Reeves, J. O. Parker and R. F. Phillips, all of Canyon, and Mrs. Herschel Jennings of Tulia.

The refreshment table, covered with a white linen outwork cloth from Germany, was centered with an arrangement of white roses. Table appointments were of silver. Mrs.

Jennings presided at the silver service.

Guests were Mrs. Lee Terry and Mrs. Lars Hamerson, and members included Mesdames Hatcher Brown, R. C. Busted, A. C. Clark, T. J. Crager, O. L. Culberson, J. E. Flynn, Oscar Hinger, Robert Jarrett, Craig Johnson, M. B. Meas-

amer, Gene McGlasson, W. A. Moore, R. R. Rigsby, Burney Slack, Joe Whittington, Billy Willingham, Crannell Tolliver, Lorenzo Wirt, Burgess, Foster, Haggard, Henson, Jones, Miller, Parker, Phillips, Pond, Prichard, Reeves, Walsh, Wheelock, Burgess, Goodman and Crouse.

Washington Couple Visit Relatives Here

Mr. and Mrs. Robert J. Schubach of Washington, D.C., have been in Canyon for a visit in the homes of her sisters, Mrs. Cass Jennings and Mrs. Lorenzo Wirt. The Schubachs have recently returned from a two-year tour in Indonesia where he was finance advisor to the malaria program of the ICA.

They will return to Washington with the Controller's Office of the General Services

Administration. He was on loan from this office while he was in Indonesia.

Mrs. Schubach also visited in Lubbock in the home of her son, Dale Buckner, and his family, before joining her husband in Washington.

CANYON GARDEN CLUB

Members of the Canyon Garden Club will meet in the home of Mr. and Mrs. Bill Downing tonight at 7:30. A program on the State Flower will be presented by Mrs. Clyde Warwick and Mrs. Hud Prichard.

RECENT VISITORS

Dr. and Mrs. Frank Stallings and children, David and Dianne, of Arlington, were holiday visitors in the home of her parents, Mr. and Mrs. D.M. Foster. Also recent guests were the Foster's son and his family, Dr. and Mrs. Manus R. Foster of Irving, and their three children, Nord, Lisa and Craig.

Meeting Will Be Sunday

The Congregation of All Saints Episcopal Church will hold its Annual Congregational Meeting on Sunday, Jan. 14, in the Little House of Fellowship.

A covered dish supper will be served at 6 p.m., followed by Evening Prayer in the Church. After the service, the congregation will hold the meeting.

The session will include the election of officers, approval of the 1962 budget, and election of delegates to the Diocesan Council to be held in San Angelo, May 4-6.

Church Women To View Film

The Women's Association of the Presbyterian Church will present, "A Day for Witness," a 16 mm sound film on the problems of Protestant Evangelicals in Latin America. This program will be held in the Fellowship Hall of the church, Tuesday, January 16, at 7:30 p.m. It is part of an annual study of missions and their problems, with South America being the focus of the year's study.

The public is cordially invited to attend, and if other church groups should be planning a field of study in this area during the year, a special invitation is issued to them.

J.G. Ford Home Is Scene for Reunion

Christmas visitors in the home of Mr. and Mrs. J.G. Ford were their children, Donald R. Ford, Fort Worth; Mr. and Mrs. Guy Ford, Jr., of Hart; Mr. and Mrs. R. A. Burgess and sons of Lompoc, California; Mr. and Mrs. Dan Long, Jr., and family, Amarillo.

Mr. and Mrs. Hubert Kitchens and family, Hereford, Mr. and

Mrs. Charles Hill, Amarillo; Mr. and Mrs. W. A. Hawkins, Jr., and family, Hart; Mr. and Mrs. Mark Williams and family, Amarillo; Mr. and Mrs. Duane Ford and son, Crane; Doyle Ford, Jal. New Mexico. His family was unable to attend due to illness.

Also visiting were Mrs. Ford's sister of Tulia, Mrs. G.A. Ford, and her aunt, Mrs. J. C. Dowd of Canyon.

CANYON VISITORS

Recent visitors in the home of Mr. and Mrs. J. L. Hilgenfeld were Mrs. Roy Childress, Jackie and Betty, and Mrs. Joe Sisk and her three children, Rhonda, Kay and Bobby. Mrs. Childress, the daughter of Mr. and Mrs. Hilgenfeld, and her family reside at Alvin. Mrs. Sisk is a granddaughter of the Hilgenfeld's and is from Sperry, Oklahoma.

AIR FORCE SCHOOL

Royce Gum is stationed with the Air Force at Medina Base, San Antonio. He is in officers' training school and will be assigned to the Guided Missiles Division upon completion of training. Royce is the son of Mr and Mrs. L.E. Gum of this city.

ORDINANCE NO. 249

An ordinance prohibiting animals usually caged or restrained by leash from running at large, keeping, bringing or maintaining such animals within corporate limits of city, and defining as a nuisance the failure to restrain such animals as provided; prohibiting a dog to be at large upon public highways, streets, alleys, courts, squares, parks, sidewalks, other public lands, unfenced lots, tract or parcels of land within corporate limits of city; defining "Dog", "At Large", and "Owner"; providing for corporation court hearing and decision to muzzle or keep within an enclosure a dog which bites a person and which is found to be vicious or dangerous; declaring the act of permitting a dog's barking such as to disturb the community a nuisance; prohibiting the keeping of a dog without a collar or harness and attached vaccination and the license tags; providing for a license, fee, tag, and the application therefor, for commercial annual license fees, and the exemptions from licensing; providing for vaccination against rabies, the certificate therefor, presentation of vaccination certificate upon application for license, appointment of duly licensed veterinarian as deputy tax collector and their duties and obligations; prohibiting transfer of licenses, tags, and vaccination certificates from one dog to another; acceptance of proof of vaccination; providing the duty of animal warden or deputy to seize and impound dogs running at large in violation of this ordinance; permitting any person to take up and deliver any dog found trespassing or running at large on their private property; prohibiting any person except those authorized from destroying any dog; providing for the giving of notice by such person to animal warden and delivery without fee or charge of such dog to animal warden, and the holding by animal warden of any such dog delivered; permitting the entry on any unfenced lot, tract or parcel of land by animal warden, his deputies and/or city policemen, for purpose of chasing and impounding any dog running at large in violation of this ordinance; providing the duties of the animal warden to keep certain records of dogs impounded, to keep unlicensed dogs three (3) days and licensed dogs five (5) days, after which if not redeemed by owner such dogs are to be sold or destroyed; providing the methods and fees

for dogs both licensed and unlicensed to be redeemed by owners; providing for the sale of unredeemed dogs or the destruction thereof if not sold; providing for the right of redemption from the purchaser at such sale by the owner at any time up to thirty (30) days after sale by animal warden and the expiration time of such right of redemption; providing for the collection, records and disposition of monies collected by animal warden in such sales; declaring the interference with animal warden or other officer in catching or impounding a dog running at large in violation of this ordinance to be a misdemeanor; declaring the refusal of any person to deliver on demand any unlicensed or unvaccinated dog to animal warden to be a misdemeanor; providing a requirement for vaccination of all dogs or cats over six (6) months old, and the duties, records, certificates by and tags by veterinarians; providing for the taking of possession and detention for observation of any dog or cat or other animal displaying symptoms commonly associated with rabid animals and any dog or cat or other animal which is known to have bitten any person; providing for detention of any animal for rabies observation for twelve (12) days, destruction of such animal, release and detention fee of such animal, vaccination and licensing if required prior to release; providing that animal warden may take any dog or other animal which animal warden has good reason to believe is infected with rabies, making it unlawful to interfere with such taking, placing a duty to immediately deliver to animal warden or any person notified by animal warden that any dog or other animal in such person's possession is infected with rabies or other disease; making it unlawful to knowingly keep, harbor or maintain any dog or other animal infected with rabies or any dog or other animal about which animal warden has notified that there is good reason to believe such dog or other animal is infected with rabies or other disease; providing a severability clause and a penalty clause; providing for the repeal of ordinances Nos. 8, 94, and 151, and any and all other Ordinances or parts thereof in conflict herewith, excepting Ordinance No. 169, which is to remain in full force and effect.

Whenever in this ordinance an act is prohibited or is made or declared to be unlawful or an offense or a misdemeanor, or wherever in such ordinance the doing of any act is required

or the failure to do any act is declared to be unlawful, where no specific penalty is provided therefor, the violation of any such provision of this ordinance shall be punishable by a fine of not exceeding Two Hundred Dollars (\$200.00); provided, however, that no penalty shall be greater or less than the penalty provided for the same or a similar offense under the laws of the state. Each day any violation of this ordinance shall continue shall constitute a separate offense.

This ordinance shall take effect and be in force April 1, 1962.

NOTICE TO BIDDERS

Sealed proposals for paving and curb and guttering of approximately forty (40) blocks of city streets will be received by the City of Canyon, Texas, at the office of the City Manager, City Hall, Canyon, Texas until 2:00 p.m., January 29, 1962, and the publicly opened and read.

Bidders must submit a bond of five (5%) percent of the total amount of the bid as a guarantee that the bidder will enter into the contract under the conditions set forth within ten (10) days after notice of award of contract. The attention of bidders is called to the special provisions concerning minimum wage rates and hours of employment included in House Bill No. 115 of the Forty-fourth Legislature of the State of Texas. Compliance with the above Wage and Hour Bill is required.

The City reserves the right to reject any or all bids, to waive informalities and to accept the bid deemed to be the most advantageous to the City. All bids received after the above closing hour will be returned unopened.

Plans, specifications and contract documents may be inspected or obtained at the office of the City Manager, City Hall, Canyon, Texas, or at the office of McMorris & Associates, 6300 Canyon Drive, Amarillo, Texas, upon a deposit of twenty (\$20.00) dollars. This deposit will be refunded to each actual bonafide bidder upon return of documents.

TenCanyonBoysWill Get Awards

Ten Canyon Scouts will receive the God and Country Award Sunday at the 10:50 morning worship at the First Methodist church.

Those receiving pins will be Craig Bellah, Tommy Hildreth, Stephen Hines, Bill Long, Mike

Matthis, Eló Myers, David Perkins, Charles Starnes, Paul Stevenson and Randy Warren. They are members of Troops 31 and 61 and Posts 31 and 61.

A special section will be reserved for the boys receiving the awards, their parents and other scouts and Explorers.

The God and Country Award is presented to Scouts and Explorers by their church for their achievements in Scouting, and for their completion of a year's study and service in their local church under the direction of the pastor.

Harding Home For Holidays

Jimmie D. Harding, son of Mr. and Mrs. A.W. Harding of 2103 Fifth Avenue, was home for the holidays.

He is a student in the US Army Security Agency Training Regiment at Fort Devens, Mass. Jimmie is a 1961 graduate of Canyon High School. He attended West Texas State College last summer.

THE STATE OF TEXAS
To any Sheriff or any Constable within the State of Texas--
GREETINGS:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Randall County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION
THE STATE OF TEXAS

TO: DORIS L. DOSS, Defendant, Greeting:
YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Court-house thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 14th day of December A.D. 1961, to Plaintiff's Petition filed in said court, on the 1st day of December A.D. 1961, in this cause, numbered 5471 on the docket of said court and styled RAYMOND B. DOSS, Plaintiff, vs. DORIS L. DOSS, Defendant.

A brief statement of the nature of this suit is as follows, to wit: Suit for divorce on grounds of cruel treatment. No children born to marriage. Plaintiff sues for division of community personal property, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this the 14th day of December A.D. 1961.

Attest: Mavis Hill, Clerk,
47th District Court
Randall County, Texas.
4tc37

ICY SIDEWALKS can be disastrous during the winter months, if one is not careful of the conditions. High school photographer Ronny Davis posed this shot of Ann Adair, a senior at CHS, to show what can happen. She slipped and spilled her school books on the icy sidewalks.

1925 Bridge Club Holds Annual Party

Mrs. T. V. Crouse was hostess to members of the 1925 Bridge Club when the group met in her home for their annual Christmas party. The home was

decorated in keeping with the season, and gifts were exchanged from the tree. A dessert course with coffee was served to Mesdames R. C. Busted, Hatcher Brown, J. M. Daugherty, Glenn Dowlen, L. L. Jones, A. K. Knott, Iverson Leake, Ray McReynolds, Milton Morris, Cecil Sims, John A. Williams and a guest, Mrs. Paul Summers.

(Continued from Page 4)

Priscilla Club Meets in Home

Mrs. H. M. Stokes entertained members of the Priscilla Club when they met in her home Wednesday afternoon. Refreshments of fruitcake and sandwiches were served.

Present were Mesdames Alfred Bellah, W. R. Crow, C. R. Flesher, J. M. Daugherty, D. M. Foster, R. A. Hodges, S. B. Louder, Gladys Marshall, C. M. Presley, T. S. Stevenson, Sr., George Dudley Moore, E. R. Cleavinger, and a guest, Mrs. A. M. Cunningham.

Donnie Stroup Is Recovering

Mrs. Audrey V. Stroup has returned from Monticello where she has been with her son, Donnie Stroup, who was injured in a truck accident. She has been away for almost seven weeks.

Donnie was sent to Salt Lake City hospital from Monticello, and will return to that hospital in February for a checkup and possibly additional surgery on his hip at that time.

He is now at his home at 1132 Graceland, Aztec, New Mexico, and will appreciate cards and letters from his friends in Canyon.

DINNER GIVEN

Mr. and Mrs. J. G. Scholl of Holyoke, Colorado, have been in Canyon to visit in the home of Mr. and Mrs. A. K. Goodman. Mrs. Scholl is a sister of Mrs. Goodman. While the visitors were here a dinner was given for them by the Goodman's at Wyatt's Cafeteria in Amarillo.

Also guests were the son and daughter of Mr. and Mrs. Goodman and their families. They are Mr. and Mrs. Kenneth Goodman and children and Mr. and Mrs. Bryce Slack and children, all of Amarillo.

Mr. and Mrs. Scholl were enroute to Arizona where they will spend the remainder of the winter.

BABY DIES

Word has been received here recently of the death of Mark Lee Foster, eight-month old son of Mr. and Mrs. Thomas B. Foster of Bellflower, California. Grandparents are Mr. and Mrs. Mark L. Foster of that city, whose son, Bobby Neal, was killed as the result of an airplane crash several weeks ago. The Fosters are former residents of Canyon.

Farm Bureau Meetings Set

Annual Randall County Farm Bureau community meetings will be held over the county in the next few weeks.

Meetings will be held as follows:

Park-Stone Community, Jan. 18, at 7:30 o'clock in the evening at the Farm Bureau Building. Umbarger, Jan. 25 at 7:30 in the school auditorium; Canyon (east and west) Feb. 8, 7:30 in the Farm Bureau Building; Sunny Hill-Fairview, Feb. 9, 7:30, Fairview School;

Jowell, Feb. 13, 7:00, Jowell School; Trigg, Feb. 15, 7:30, Farm Bureau Building; Highland, Feb. 23, 7:30 E.E. Sharp Home.

Order of business will be election of officers to serve on board of directors.

RETURN HOME

Mr. and Mrs. M.B. Brown have returned from a visit with their daughter and her family, Mr. and Mrs. Glen Hancock, Susan and Mike, at Albuquerque, New Mexico. They also visited with M.B.'s father, G.B. Brown, at Aztec, and with his brother, Harris Brown, who lives at Ignacio, Colorado.

Enroute home Mr. and Mrs. Brown met the Hancocks at Trinidad where they visited with Dick Loudden at his ranch and looked over his hunting trophies and saw films made by his son on a hunting trip to Alaska. Loudden began his big game hunting after he was 60 years of age, and killed a Kodiak bear in Alaska on his eightieth birthday. The bear weighed more than 1100 pounds.

Visiting in the home of Mr. and Mrs. Gilbert Ray during the holidays were Mr. and Mrs. Glen Coates of Big Spring.

Hospital Notes

Mrs. Sarah Frances Keller, Canyon, surgical.

Mrs. Mary E. Burtz, Canyon, medical.

Joy Alee Creighton, medical.

Mildred Elaine Wright, medical.

Laurel Lee Singleton, medical.

Sandra Ann Powell, medical.

Janies Wesley Sims, surgical.

Martha Ann Elan, medical.

RUTH HILL

Ruth Hill Is Seeking Re-Election

A candidate for re-election is Mrs. Ruth A. Hill, who has served as treasurer of Randall County for 10 years.

The population of the county has more than doubled in the years that Mrs. Hill has served as treasurer, and "the office work has shown the same ratio of increase," she said yesterday in making her official announcement in Canyon.

"I feel that I kept the work of county treasurer's office current in a courteous and efficient manner. I know that I have counted it a privilege to serve the people of South Amarillo as well as those in Canyon and the rural areas of Randall County.

"I appreciate the support of each and every voter, and before the May primary I hope to see each voter. If I should fail to see one personally before that time, I hope you will consider this as an earnest solicitation of your vote."

Mrs. Hill has lived in Randall county for 35 years. Widowed 21 years ago, she has spent most of the time in public work to obtain funds for completing her children's education.

The three -- Mrs. Garland Cavitt of Dumas, Mrs. Chester Dowell who teaches at Boys' Ranch public schools, Lowell Hill who is living in Oklahoma City -- are all graduates of Canyon High School and West Texas State College.

Mrs. Hill also has attended West Texas, as well as an Amarillo business college.

Before she successfully ran for Randall county treasurer Mrs. Hill had been employed by four newspapers -- the Happy Herald, the Canyon News, the Amarillo Times, and the Globe-News. She also handled the bookkeeping for other Amarillo and Happy firms.

She is a member of the Canyon Methodist Church and the Order of Eastern Star.

JIM BLAKE of the Canyon Drug prepares for Saturday's March of Dimes campaign. Six Canyon business establishments will donate all coffee money from their sales Saturday to the MOD drive. The businesses are the Canyon Drug, The Pharmacy, The Village Drive-In, Big Kitchen, C & M Cafe and Don's Steak House. White's Auto is donating all coke money for the week to the drive.

Teen Topics

Ineke Templeman was the guest speaker at the Foreign Language Club last Thursday night in the study hall.

Ineke talked of her home town, Gouda, and other things of interest in Holland. She also spoke of the educational systems in

Holland. The one topic of most interest to the 27 members present was the dating situation.

Miss Templeman is very interesting, and we wish everyone could have a chance to hear her. She is scheduled to speak at a FHA meeting this Thursday.

Semester tests are scheduled this week, and everyone appears to be in low spirits. The tests started Tuesday with the fourth and sixth period classes.

Wednesday revealed the knowledge acquired by the second and fifth period students. Thursday marks the last day of tests with the first and third periods taking them.

Students' and teachers' efforts will be known Wednesday when report cards will be distributed.

FHA girls are already making plans for the FHA banquet in February.

Boys are hiding from the girls because they don't want to go or are just plain stubborn.

But to be truthful, boys, we're not chasing you, we just want to show you a good time.

The planning committee for the banquet met last week to make plans concerning the theme and other major details.

Cold and icy weather brought hard falls to some of the students last week. Ice on the sidewalks was especially hazardous to the girls who were stepping off the busses.

Little Helen Gonzales was one of the first to make the mistake of rushing to the building. She fell rather hard with books flying everywhere. We bet she'll be more careful next time.

Iris Jean Hales and Nancy Purcell

Fairview Breezes

The Christmas holidays are over, and everyone had a very enjoyable time. A nice crowd attended our community Christmas tree.

Mr. and Mrs. Johnny Pool and children, Johnnie Sue and Rickie, of Vaughan, New Mexico, visited with her parents, Mr. and Mrs. Charles Sutton, over the Christmas holidays. They also attended the Christmas tree at the Church Christmas Eve.

Mr. and Mrs. Richard Evans recently returned from a fishing trip at Rockport.

The Alvin Wesley family met Christmas day in the Alvin Wesley home for their Christmas get-together.

Our community was saddened by the recent sudden death of Alvin Wesley. He and his wife resided in our community for 23 years and raised their family here. They were living in Happy at the time of his death. Our sympathy goes to the family.

Mr. and Mrs. Jerry Dustman of Lake Jackson, Louisiana were recent visitors in the home of their parents, Mr. and Mrs. Glen Dustman, and with her father and brother, Charles and Ronnie Wesley and with Mr. and Mrs. Alvin Wesley.

The Jack Sutton family was host to the Sutton family Christmas day. Those attending were Mr. and Mrs. Charles Sutton; Mr. and Mrs. John Pool, Johnnie Sue and Rickie of Vaughan, New Mexico; Mr. and Mrs. Max Barnard, Mr. and Mrs. Harold Sutton and children; Clara Sutton and Jeanette and daughter of Amarillo; Mr. and Mrs. Albert Legate; Lucille and her three children of Whitmarrel. All of their children were present except Opal Poston of Laramie, Wyoming, and Pete of Llano. A total of 47 persons attended.

TEMPERATURE DIPS

(Continued from page 1)

watching the pressure 24-hours a day and making sure it was kept up. "Tuesday the pressure got a little low at Happy and Wednesday morning we had to work a little to get Canyon's pressure back to normal, but everything is OK."

Don Carroll of Southwestern Bell Telephone Co. reported only minor trouble and City Manager Bill York said the garbage pick-up was the only problem the city is having at the present time. York said the trash pick-up will be hampered until the weather improves.

Only one injury has been reported because of bad weather. Roy V. Haley of Happy broke the upper part of his left arm when he slipped on ice. Haley was released from Neblett Hospital Wednesday morning. One doctor said everyone is going at a slow pace and taking care of themselves.

A report from the Sheriff's Office shows that they haven't even had a "fender-bender" during this week's weather. However, the snow from last week caused two accidents. The first one occurred Jan. 5 at 10:20 a.m. two and two-tenths miles west on U.S. 60. Forrest Johnny Collins, a WT student, slid through a stop sign at Farm Market Road 1062 and U.S. 60 hitting the side of a trailer carrying a ditching machine. A rider with Collins, Roy Max Miller, was treated at Neblett hospital for a bloody nose and then released.

Later on Jan. 5 at 4:20 p.m. one car accident happened near Camp Don Harrington. Joyce Ann Holmes of Amarillo hit some ice on the road and slid off the road hitting two guard posts. No injuries were reported, however, \$200 worth of damage was done to the 1960 Chevrolet she was driving.

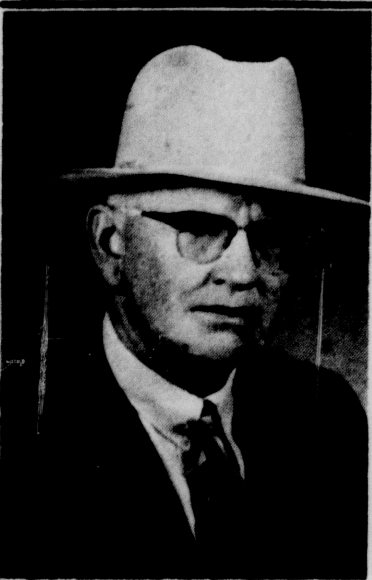

On the farm scene, County Agent John Brazzil reported cattle raisers were in for a little trouble during the cold spell. He said they would have to buy protein feeds and keep a sharp lookout to make sure they had plenty of water and food.

He also said barley growers would be hurt because of the freeze. He said the barley is a semi-winter grain and prolonged cold freezing weather will damage and sometimes destroy it.

Wheat he said was at a dormant stage and isn't growing, so it will not be hampered.

We wish the News Staff a very happy and prosperous New Year.

Mr. and Mrs. O. J. Wimberly and their three children of Amarillo attended the family reunion in the home of Mr. and Mrs. Jack Sutton Christmas Day.

Beckman Announces Candidacy

Mr. Clarence Beckman has authorized the CANYON NEWS to announce that he will be a candidate for the office of County Commissioner, precinct No. 2, within and for Randall County, Texas, at the May 1962 primary.

It has been a sincere pleasure to serve you in the past, and I know of no reason why I cannot serve you better and more efficiently in the future.

To the new voters now residing in precinct no. 2, I invite your investigation as to my record on economy, road maintenance and my spirit of cooperation in progressive movements which affect all of us in our county.

It is my purpose to see each and every citizen in precinct no. 2 before the May 1962 primary, should I miss you, please accept this as a personal solicitation for your support and vote.

Clarence Beckman, Commissioner-Precinct No. 2, Randall County, Canyon, Texas

POLL TAX SALE to Sherwood Blasdel, who lives two miles northeast of Canyon, was made by Tax Office employee Billy Russell. According to Tax Collector and Assessor Bill Money, a little more than 1,300 poll taxes have been sold since they went on sale in October. Money said the last day to purchase poll tax would be Jan. 31 at five o'clock when the tax office closes. See article on page seven of the second section about poll tax and voting regulations.

MRS. RUTH O'DONALD

Has been selected by Anderson Appliance as

JANUARY Housewife of the Month"

JEANNA O'DONALD

New
FRIGIDAIRE Flair
Most glamorous ranges ever...
Looks built-in yet installs in minutes!

The new FLAIR models glorify any kitchen with built-in glamour. And this compact 30" electric range makes petite kitchens the more precious. Just slide a FLAIR (cabinet and all) into the place of your present range. Incredible? It's true!

With four children at home and a business to run, Mrs. Ruth O'Donald is no ordinary housewife.

Mrs. O'Donald operates Ruth's Beauty Salon at 804 Thirteenth Street. Sometimes she has customers right up to noon but lunch had better be ready soon thereafter for Truett, 17; Danny, 16; Curtis, 10; and Jeanna, 5. Mrs. O'Donald's husband, Cecil, drives a truck for Southwestern Public Service Company.

The O'Donalds chose a Frigidaire Flair from Anderson Appliance for their kitchen. Its automatic features allow Mrs. O'Donald to literally be two places at once.

She can put lunch on to cook and go back to her customers in the beauty salon. Presto! Lunch is ready right on time.

As evidenced in the accompanying picture, Jeanna is very much mother's little helper and she likes Flair too.

The O'Donalds, who are longtime Canyon residents, are partial to Frigidaire appliances of all types. They also have Frigidaire washing machine and dryer.

"I'm real tickled about my Flair," Mrs. O'Donald said this week. Her first meal on the new Flair was Christmas dinner.

MAN OF THE YEAR Bill Wilson received a plaque Thursday night in the West Texas State College cafeteria at the Chamber of Commerce banquet. In the upper photograph, Bill learns he is the Man of the Year. Seated at the table with him are his wife, Ina Mae, and his sister-in-law, Mrs. Bob Wilson. In the photo on the left it shows Bill receiving the plaque from outgoing president Joe Gidden.

Bill Wilson Named CC's Man Of Year

Canyon's Man of the Year, Bill Wilson, is best described by this statement, "His heart is as big as he is."

Bill was named Man of the Year at the annual Chamber of Commerce banquet held last Friday night in the West Texas State College cafeteria.

Past president of the Chamber of Commerce, Joe Gidden said, "Bill is always busy at most civic functions, helping out wherever he is needed. He is always thinking about the future of Canyon and the future of the people of the community."

This jovial justice of the peace was chairman of the fund raising committee for the livestock barn. His committee raised the money in about 60 days, making possible this year's show in the new barn.

In a modest statement, Bill said he had one hundred people working for him and they did most of the work in raising the money for the livestock barn. But his leadership in the fund raising campaign was a big factor in getting the barn completed as soon as it was.

Bill has been a familiar person in Canyon for a number of years. He was born in Amarillo, but worked here in the summers for his grandfather, the late W. A. "Bill" McSpadden. Bill graduated from Amarillo High School in 1939 and joined the U. S. Navy in 1942 and served as a First Class Chief Petty Officer.

Bill worked for the Amarillo Police Department for seven years and then came to work for Sheriff L. S. Johnston in 1953. However, Bill and his family moved here in 1947. He is married to the former Ina Mae Judd of Amarillo. They have three children, the oldest being Judy Bea, 17. Mike is 13 and Vesta is eight.

Bill was elected justice of peace for precinct one April 10, 1959.

He is a member of the Lions Club, Chamber of Commerce, a 32nd Degree Mason, Shriner, Junior Livestock director, Boy's Ranch supporter, American Legion, Veteran's of Foreign Wars, a member of the First Baptist Church, and of the Randall County Civil Defense Communications Committee.

In 1953-54 Bill was named the Outstanding Lion for Canyon and was elected president for 1959-60. During 1960-61, Bill served

PROCLAMATION

WHEREAS, under the laws of the State of Texas all citizens desiring to vote in elections held in the year 1962 must qualify by paying the poll tax or obtaining a certificate of exemption from the poll tax by January 31, 1962; and

WHEREAS, it is the patriotic duty of every citizen to participate in the processes of self-government by meeting his obligations to his government and preparing himself to vote; and

WHEREAS, our right to vote is the most basic of our constitutional freedoms, secured in battle by our forefathers and defended in every generation by brave men willing to shed their blood to protect this right, which is the cornerstone of our liberties and is now under attack by a ruthless communistic society which has never permitted free elections; and

WHEREAS, the widest possible participation in elections is a proud sign of civic health and of a citizenry dedicated to the defense and the exercise of our American way of life.

NOW, THEREFORE, I, as Mayor of the City of Canyon do hereby proclaim the week January 24 to January 31, 1962 as

QUALIFY TO VOTE WEEK and urge that all our citizens who are eligible to vote proceed promptly to pay their poll taxes or obtain their certificates of exemption in order that they may be qualified to vote. A people that does not exercise its rights stands in danger of losing them. I hope, therefore, that every eligible citizen of the City of Canyon will be a qualified voter and will cast his vote in 1962.

Delbert E. Lowes
Mayor
ATTEST:

City Clerk

COUNTY AGENT'S COLUMN

By John Brazzil

Farmers and ranchers throughout Texas are putting their money into research for the benefit of the livestock industry in this state. The first big project will be the eradication of the screwworm. Thus far a working committee has not been formed here. This is a committee of livestock producers who will work to raise money from other producers. This money will be turned over to a non-profit research organization to implement the study and action for control programs.

Be sure to attend the Big Fifty-fourth Annual Randall County Junior Livestock Show and Sale. The new building is ready to go. It will be warm and com-

fortable. The sale starts at 6:30 p.m. Saturday. Judging will begin at 1:30 Friday afternoon and will continue Saturday.

This sub-zero weather is hard on livestock. Wheat is short and is making little or no top growth. Roughage feed in large quantities is needed. A good protein supplement along with the roughage will give cattle added strength. Cattle often suffer from prolonged thirst during very cold days. Stock tanks clogged with ice are not very attractive to a cold animal. Freshly pumped water is just right. Experienced stockmen believe that a daily drink of water for cattle is vital. Don't neglect this in cold weather.

The snow is believed beneficial in that it will add a blanket of insulation for the small grains during the extra cold weather. The actual moisture benefits will perhaps be small. Barley especially could suffer from this cold temperature if the snow cover was ab-

sent. Stockmen generally agree that all this is quite unnecessary. They would rather have their snow fall and melt in the same day. The roughage stacks will continue to get smaller as the cold wave continues.

Mr. and Mrs. Fred Marshall made a three-day trip to the Rio Grande Valley during the Christmas holidays. In addition to attending to business on their farm in that area, the Marshalls visited in Mexico.

Mr. and Mrs. C.W. Samples spent the weekend visiting with their daughter and her family, Mr. and Mrs. Paul Aldridge and children, in Abilene.

Mr. and Mrs. C. G. Pond and sons had as their guests on New Year's Day, Mr. and Mrs. Bill Pfeiffer and Gary Mike, of Borger; and Mr. and Mrs. J. R. Bonds of Canyon.

Dr. Joe Markham and a friend from New Jersey went hunting near Shamrock one day of the holidays.

District Coaches Pick Canyon

Dimmitt, Tulia Expected To Keep Race Competitive

In a poll of District 1-AA coaches, the majority pick Canyon's Eagles to cop the championship flag, with Tulia's Hornets and Dimmitt's Bobcats close behind. The coaches believe the race for the flag will be a hotly contested battle all the way.

Two coaches picked Canyon outright to win the championship, another chose Dimmitt to win first place, one took Tulia while one believes Canyon and Tulia will be fighting it out, and votes it as a toss-up.

Tulia's Coach Don Nentwig picked Canyon and said, "the Eagles have the team to beat and Dimmitt will be close behind should the Eagles falter," while Friona's coach Vernon Scott said "I don't see who can stop Canyon. Their big boy, Begert, is the best big boy in the district because he can move so well. A team really has to move to handle him."

Scott also believes Tulia and Dimmitt will be strong contenders, but "don't count us out of the race."

Dimmitt's new coach, Ken Cleveland said, "the district race will be between Canyon and Tulia. It's really going to be a battle because both schools have fine ball clubs."

The coach voting for Tulia to take home the flag was Dalhart's Artie Stewart. When asked about which team would win district, Stewart said, "That's a good question, but I kinda believe Tulia might win. However, Tulia will be hard pressed by Dimmitt and Canyon."

With all the opposing coaches picking Canyon up front or in second place, the Eagle's mentor, Allen Simpson, had this to say about his squad, "The way we have been playing lately, I will say Dimmitt will win the district flag. We have a good chance of winning the race if the team gets ready. We have looked good most of the season, but lately we have been sour."

With all the crystal balling by the coaches, it appears the 1-AA race will be a dogfight among Dimmitt, Tulia and Canyon.

This smoke-screen over the future of the basketball race should be cleared soon, as the three top teams will battle each other early in the season during the first round. This past Tuesday Tulia hosted Dimmitt and tomorrow night the Eagles will host Tulia. Then next Tuesday, the Eagles will travel to Dimmitt and one of the teams could end up on top of the ladder for the first go-around. But, if each team wins one and loses one game in the opening contests, it could be tied up, with a possible play-off.

Canyon's Eagles have posted an impressive record in non-district play with a 12-10 record and have played some tough AAAA and AAA schools. The Eagles have suffered setbacks from strong undefeated AAAA Borger twice, district contender Dumas in AAA twice, another strong AAA Hereford team twice, once to AAAA Plainview, twice to a tough A White Deer squad and once to Panhandle.

While on the winning side of the ledger, Coach Simpson's quintet has beaten Stratford, Farwell, Adrian, White Deer twice, AAA Phillips twice, Tulia, Happy, Sudan, Panhandle and Gruver.

During these games, the Eagles have scored 1147 points and held their opponents to 1114. This is an average of 52.1 points per game, while their opponents have averaged 50.6 points.

For the Eagles, Bob Begert has played in all 22 games scoring 320 points for an average of 14.5. He also is the top rebounder with 224. Bob has made 48% of his field goal attempts and 66% of his charity tosses.

Runner-up in the scoring department is Warren Rutherford, who has scored 271 points for an average of 12.3. Warren has made 38% of his field goals and 73% of his free throws.

He also has 112 rebounds.

Ronny Harris is the third man in the scoring bracket for the Eagles with 183 points for an average of 9.1 points per game. Ronny has a 34% field goal average and a 67% average at the free throw line. He also has 90 rebounds in 20 games.

Harry Lisle has played 22 games for the Eagles this year, scoring 164 points for an average of 7.5. He has a 30% average from the court with field goals and a 58% at the charity line. Lisle has rebounded 80 times.

Wayne Rutherford has played in 20 games and scored 111 points. His average is 5.6 per game and has a 42% shooting average from the floor. His free throw percentage is 62. Wayne has rebounded 93 times.

Richard Green has played in 15 games and scored 43 points for an average of 2.9 and has made 19% of his FG. He has a 32% at the free throw line and has rebounded 29 times.

To face this tough Eagle squad in their first district game will be an equally tough Tulia squad. The clash head on tomorrow night here at 8:30.

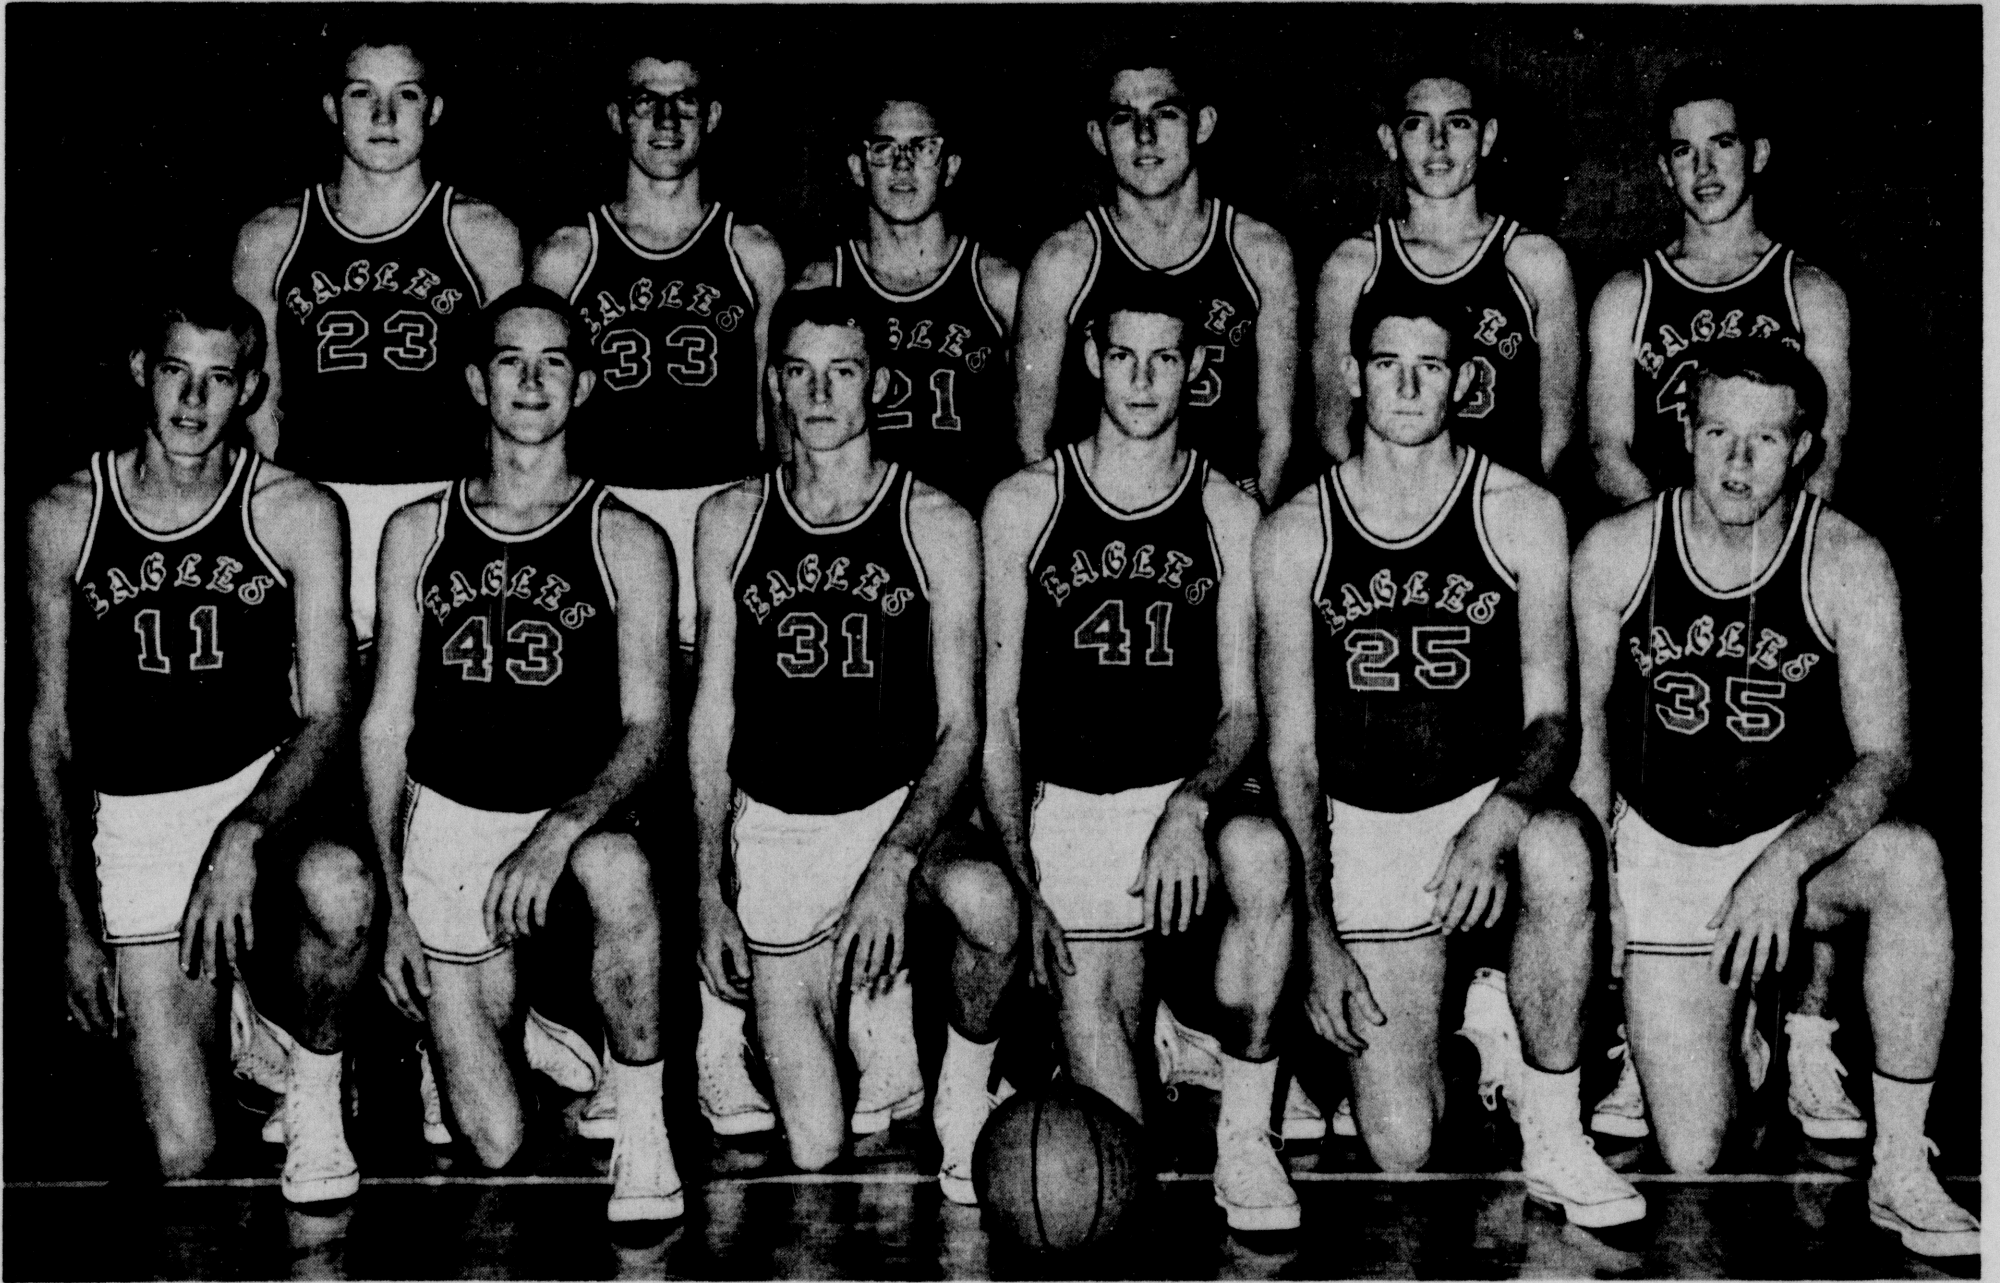

Tulia will be exceptionally hard for the Eagles to handle since the Hornets have four players averaging in the double digits. The Hornets have 12 victories against nine losses. They were edged by Dimmitt Tuesday night in Tulia 66-68 in the first district game.

They have scored 1350 points for an average of 67.5 points per game, while holding their opponents to 1117 points, an average of 55.9 points per game.

The Hornets placed second in the Tulia Tournament, fourth in the West Texas Tournament and went to the quarterfinals of the Dr. Pepper Tournament in Dallas before losing to a strong Bellaire team from Houston.

Leading the Hornets is Max Swinburn, a senior two-year letterman, who has averaged 18.1 points per game and likes to hit from the outside. This 5' 11" guard is also good at driving in for lay-up shots.

The second top scorer for the Hornets is Paul Caraway. This 5' 10" forward is also a two-year letterman. He is a senior and has averaged 11.6 points per game. Caraway will be remembered for his fine quarterbacking on the gridiron, and he has moved to the basketball court with the same ease. He likes to make lay-up shots. (Continued on page 3)

A TOP CONTENDER for District 1-AA this year will be Coach Allen Simpson's Canyon Eagles. They meet their first district foe tomorrow night at 8:30 in the CHS gymnasium. On the front row are Bob Begert, Eddie Poole,

Warren Rutherford, Wayne Rutherford, Jess Sheets, and Ronny Harris. On the second row are Davis Price, Donald Brettling, Harry Lisle, Richard Green, Jim Whinnery and Larry Holman.

Former Oklahoma Player To Be Assistant Coach

A former co-captain at the University of Oklahoma, Joe Rector, was named to the coaching staff at West Texas State last week.

He replaced Dick Mansperger, who has joined the staff at Arizona State University. This is Mansperger's alma mater.

Rector will serve as assistant line coach and for the past two years has been line coach at the University of California at Santa Barbara.

The 24-year-old Rector played end for the Sooners in 1956, 1957 and 1958. He started the last two seasons and made the All-Big Eight Conference sec-

ond team as a senior, and was named to the national "all-scholastic" squad the same season. He was co-captain of the 1958 squad along with Bob Harrison of Stamford.

The 5 foot 11 inch 190-pounder helped Oklahoma win two Orange Bowl games, beating Duke Jan. 1, 1958 and Syracuse Jan. 1, 1959. In his varsity days at OU, Rector played in only two games the Sooners lost in a three year period.

Rector played high school football at Muskogee, Okla. and made the all-state team. He played with Oklahoma's all-stars in the Oil Bowl game. He was assistant football

coach one year at Oklahoma before going to California. He married his college sweetheart, Sally Collier and they have a four-month-old son, Steve.

Mr. and Mrs. Roger McWaters have returned from DeWeese, Nebraska, where they spent the holidays visiting in the home of her parents, Mr. and Mrs. A.N. Scism, and with other relatives.

COACH GENE DUNCAN'S eighth grade girls basketball team made it 2-1 Monday night when they defeated Happy. On the front row from left to right are Linda Metcalf, Sherry Killingsworth, Sally Swartzell, Charlotte Clark, Linda Gill and manager Karen Ruthart. On the second row are Becky Price, Lou Ann Cowart, Sharon Lisle, Kathy Doyle, Linda Clark and Linda Salmon. On the third row are Debbie Sparks, Janice Mann, Ann Hardaway, Vicki Henderson, Mickey Davis and Carolyn Upshaw.

7th Grade Girls Win

Canyon's seventh grade girls won their second game of the season Monday night here as they defeated Happy 15-11. Their record is 2-0.

The score was tied 4-4 at the end of the first quarter and Canyon went ahead 8-6 at the half. The score at the buzzer for the ending of the third period was 13-9 in favor of the Canyon lassies.

Cindy Lee was high scorer

for Canyon with seven points and Lorraine Taylor and Sherry Kirkman had four apiece.

Mrs. Jerry Johnigan and daughter, Shelly, and Mrs. Lottie Suggs went to Perryton recently to return Mrs. Johnigan's cousin, Kathy Morris, to her home after a visit here. En route home they visited with relatives of Mrs. Johnigan in Pampa.

Talley Sheet

By Marvin Ellis

Heard some rumors this past week over the coffee cup that some West Texas fans want to get a new basketball coach.

I am in favor of keeping Metz LaFollette until he gets a chance to prove himself with his rebuilding program, and by that time, West Texas should have a winning basketball team.

Metz came to Buff-land in May of 1959, after the March and April recruiting periods. Most of the better high school players had signed up with a college before May and Metz had some lean pickin's.

So, all Metz has had in the field of recruiting is two years. Thus, sophomores and freshmen are the boys he brought to WT, and they have been showing themselves well for young players.

Three of Metz's sophomores are starting this year along with two seniors. By the time these sophs have completed this season, they should learn much and be tougher next year.

By the time the sophomores are seniors and some of the good freshmen team members this year are playing as juniors, Metz's team should be winning.

I am definitely in favor of giving Metz the go ahead and a vote of confidence until he has had at least two more years at the helm of the WT roundballers.

If the Buffs win one more game this year, it will be against Hardin-Simmons here Jan. 13. These two teams will be fighting it out for cellar position. The Buffs lost to Arizona State 67-97 in the first Border Conference game and then Hardin-Simmons was devastated 110-50 in the second Border Conference game.

The future of the Border Conference has been discussed by coaches, administrators, sports writers and fans this season, but no definite solution has been found. I expect to see West Texas go independent in football in order to keeping their major college rating in football.

Basketball for WT could fare better. A group of basketball minded teams could form a new conference and West Texas could be a member. Possible teams could be Oklahoma City University, University of Denver, Colorado State, Centenary and Texas Western.

Let's hope WT takes the initiative and forms some kind of allegiance in basketball.

On the high school scene, the CHS Eagles have looked terrible in their last four games. They have thrown the ball away

(Continued on page 3)

Dumas Stops Canyon Eagles 47 - 27

Canyon's Eagles couldn't hit the red side of a barn Friday night against the Dumas Demons and were lucky to get the 27 points they scored, as the Demons managed to hit for 47 points. This was the Eagles tenth loss in non-district play against 12 wins. Canyon traveled to Littlefield for their last non-district game last Tuesday. See page 3 for details.

Both teams were cold and made many mistakes on the hardwoods, but the Demons made fewer mistakes. Plus the fact, All-State end Kelly Baker was donning a basketball uniform. This tall junior accounted for 21 of the Demons points.

The Demons held the Eagles to their lowest number of points in one game this season and are also the team which holds the second best defensive record against the Eagles. In the Eagles first game of the season, the Demons won 65-34.

Both squads started off slow, with Dumas leading 11-8 at the end of the first quarter. The Eagles really got cold the second period, scoring only three points. During this stanza, the Eagles missed five shots under the baskets.

Canyon's team scored ten points the third period, while the Demons made 12 to lead 35-21. The last quarter was almost as bad for the Eagles as was the second period. The CHS quintet scored only six points this stanza.

Only 21 fouls were called against both teams. Usually the Eagles score around 20 points via the charity route, but against the Demons they scored five free throws out of 12 attempts.

Warren Rutherford was high pointman for the Eagles with 11 points. He made five field goals out of seven. Bob Begert was close behind with nine. This is the first game of the year the Eagles haven't had several players scoring in the double digits.

Running Account of the game.

DISTRICT

(Continued from page 1)

Five foot nine inch Tim Tucker is a senior guard who holds a 10.8 average per contest and the other Tullia player to average over ten points is Jerry Sarchat, a 6'1" senior post man, who has a 10.1 average.

The fifth starter for the Hornets is Mac Mitchell, a 6'1" forward who is averaging 8.1 points.

Coach Nentwig uses the high-low post and likes the fast break type-of-play. His team runs and shoots and they do it with deadly accuracy.

If the Eagles get past this tough team, they then have to face last year's district champions, Dimmitt, Tuesday night there. This team has four starters back from a squad which journeyed to the state tournament last year. Dimmitt won fourth place in this tournament.

This season the Dimmitt Bobcats have posted a 10-7 record. They won their first district game against Tullia there in a close battle, 68-66. Calbert hit for 42 points. Dimmitt also won a first place trophy in the

Floydada Tournament and lost out in the Plainview and Caprock Tournaments.

The four starters returning from last year's squad are without the help of the great Coffee, who was the leader on the court for the Bobcats.

Michael Calvert, 6'3" junior, is the top scorer for the Bobcats with an average of 15.6 points per game. He scored 280 points. The second high scorer for the Bobcats is Jim Ratcliff, a six foot junior who has tallied 246 points for an average of 14.2.

Kelton Cates has scored 171 points and this 5'9" senior has averaged 9.5 points per game. Dwight Cathy is the only player on the Dimmitt team which did not start on last year's quintet. Cathy has scored 115 points and the other player rounding-out the team this season is letterman Gene Bradley, who has made 64 points. Cathy is a 6'1" senior and Bradley is a 5'8" senior.

Coach Cleveland uses a single post and likes to work the ball around waiting for an open shot. He employs a few set plays in his offense and on defense like to play man-to-man.

The other two teams in the district are not expected to be contenders for the flag, but Friona's Chiefs have a 12-5 record and could be an outsider waiting at the door in case someone slips. Dalhart has a 0-7 record, but they started late on the basketball court because all their players were on the football team which went to the quarterfinals.

The top three teams have good records for non-district play and only Canyon has a clean slate among games played against district teams in tournaments. Tullia tumbled Dimmitt 77-57 and then Canyon whipped Tullia 81-65.

However, Plainview has beaten Canyon 80-48, while Dimmitt won one game from Plainview 57-44. The Bobcats had lost an earlier game with this same team 53-60.

Another comparison among these three teams is a class A school, White Deer. The Bucks have beaten Tullia 56-49 and 60-54. The White Deer team has played only one game with Dimmitt and they won by one point, 43-42.

Canyon has played White Deer four times, winning two and losing two games. Canyon won by scores of 51-49 and 47-40, while losing by counts of 53-51 and 45-42.

So, it looks like the District 1-AA winner might not be selected until the latter part of district play, unless one team gets a commanding lead the first part of the season and keeps it. What's your guess?

TALLEY SHEET

(Continued from page 2)

innumerable times, walked with the basketball and in one game did not control the ball on any jumping situation.

Excuses are easily found, but Bob Begert's leg has been hurting him, plus the fact he has had a bad cold along with Warren Rutherford and Ronny Harris having the sniffles.

Let's hope things look better tomorrow night against Tullia in the Eagle's first district game.

Three of the five coaches in District 1-AA are new this year. Tullia's Don Nentwig, Dimmitt's Ken Cleveland and Dalhart's Artie Stewart are the new mentors. Oldtime coaches in the district are Canyon's Allan Simpson and Friona's Vernon Scott. They are in their second year of coaching basketball in their schools.

Although it isn't golf time in the Panhandle, except for Eskimoes, Canyon's Bob Childers won medalist honors at the New Year's Eskimo Tournament with a 68. Bob is a junior at Canyon high school and should be a top golfer in AA competition this year. He is the son of Mr. and Mrs. Loyd Childers.

8th Grade

Lassies Win

Canyon's eighth grade girls won game number two Monday night here against the Happy squad to the tune of 33-9. This gives them a 2-1 record.

Canyon took off at the first and held a 14-3 first quarter lead, then a 22-5 halftime advantage. At the end of the third period, the Canyon girls led 32-7.

Kathy Doyle made 13 points for Canyon for high scorer and Sally Swartzell was second high with eight points.

CHARLES MILLER, son of Mr. and Mrs. J. E. Miller, killed his second ten-point deer of the season during the Christmas holidays. Charles and his parents were visiting relatives and friends near Junction during the holidays. The ten-point buck dressed out to 70 pounds. Charles killed his first deer during the Thanksgiving holidays. He is a graduate of Canyon High School and teaches mathematics at Travis Junior High in Amarillo.

Buffs Will Host Cowboys Saturday

Arizona State University took two victories from weak sisters in the Border Conference in the only games played during the first week of competition.

Arizona State first defeated West Texas State 97-67 and then demolished Hardin-Simmons 110-50.

Coach Metz LaFollette's quintet will get their chance to even their conference record Saturday night against Hardin-Simmons at the WT gymnasium. Game time is eight o'clock.

During this week, Texas Western, the strong defensive team with a new coach, will challenge Arizona State Thursday night at El Paso. Don Haskins, coached last year at Dallas and went to Texas Western this year, will pit his strong defensive play against the offensive game of Arizona. Texas Western has beaten Baylor and are expected to give the Sun Devils a fight for the title.

Arizona State University will have their hands full Saturday night with New Mexico State, co-captains of the Border conference last year with Arizona. These will be the only con-

ference games this week. West Texas will take off a week and will resume play Jan. 27 when they travel to Abilene to play Hardin-Simmons.

Mr. and Mrs. Glenn Williams and children of Booker were recent visitors in the home of Mr. and Mrs. George Stevens and children.

Mrs. Florence Fogerson of Silverton visited in Canyon one day last week in the home of her sister, Mrs. J.D. McElroy.

Mr. and Mrs. Art Roberts accompanied by her parents, Mr. and Mrs. E.C. Penick, Sr., visited in Dallas New Year's weekend. They visited with relatives, and Art and his brother attended the Cotton Bowl Game.

In Canyon to spend the holidays with his parents, Mr. and Mrs. Hugh Greiner, was SP/4 Hugh S. Griener of Indianapolis, Ind. He is stationed in that city where he is serving with the Finance Corps.

CANYON BUSINESS REVIEW and BUYER'S GUIDE

This week the Canyon News visits with A.L. Crossland. A.L. CROSSLAND moved to Canyon in 1946 as associate professor of Agriculture at West Texas State College and was in charge of the College farm. In 1955 Mr. Crossland began his career in life insurance part-time while still at WT. In 1956 he added fire and casualty insurance and set up a general agency in his home at 301 26th street. The next year A.L. retired from the Teaching profession after 30 years and went into insurance full-time. Two years later, in early 1959, Crossland bought out the W.H. Hardin Inc. Agency which was the 2nd oldest in Canyon at that time. A.L. said, "We combined our fire and casualty business with his and continued in life insurance." In a few months, he took the State examination and became a licensed realtor and expanded the business in all departments. Last year, A.W. Lair and A.L. Crossland bought what is now commonly known as the McCreery place east of the new high school. In 1961 the pair began the development of the "Hidden Valley" addition to the city of Canyon. At present they are paying 5

KEEPING UP WITH THE ARTS

Mary Caballero

For some strange reason the things that seemed so crucial and shocking early last year are no longer around. In the art, music and literary circles, we were faced with a group called "beatniks." Remember that word?

I suppose they weren't just in the art, music and literary circles, but only most frequently attached to these groups by others who wish to associate them with something. The generation was even called the "beat generation", or the Cult of the Unthink.

But suddenly, it seems this is all far behind. We read less and less of the "little coffee houses," the Zen-Buddhists, the frowzy beard, off-beat poetry, and even the painter who has his "soul" in his painting.

A few weeks ago, on television, there was a film showing a few of the new "sensational" artists, who are doing

paintings with their "inner feelings" coming out in the finished product. One of the artists was a chimpanzee, but the others were people(?). I don't know how to identify the type of art that was shown, but one fellow tore down old theater announcements and glued them on a board, no doubt that it could be described as a "collage." But then another person (and I hesitate to call him an artist), hated to practice bass viol when he was a child, so he purchases old bass viols (and with helpers), breaks them up in a violent temper, nails them to a board, and sells the things at quite a fee.

Another of new fads to be introduced was a large plaster plaque, filled with egg beaters, old purses, etc. This plaque was hung on a nail and small plastic bags of color were hung on top so that a very angry young woman could stand off and shoot the bags of color so that they might run down and paint the plaque for her! She was very, very angry about something. I never did find out what caused her to shoot with such a mad face.

When these poor people try to be different they are all falling into another group, only to be dubbed with another name similar to "beatnik."

At any rate it seems to be on the way out! Even the latest abstract paintings "deal with an unknown realm of experience."

In these "action" paintings we are confronted with the painter's dreams before he has reflected on them, sometimes before he even knows what they are.

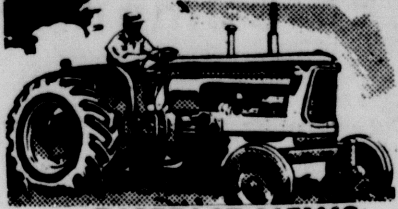

The spectator has had enough, he has tried to figure it out only to be still in the dark. He can't figure out the artist's dream, specially, if the artists can't figure it out first.

Oh, well, we are going into the "twist" age now, so who can tell what will come next. I had planned to try to analyze why the Chinese use rat whiskers for brushes.

Recent dinner guests in the home of Mr. and Mrs. Jerry Johnigan were Mr. and Mrs. Roy Francis and Mr. and Mrs. L.E. Gum of Canyon and Mr. and Mrs. Clarence Morris and daughters of Perryton.

Mr. and Mrs. J.L. (Rip) Riley flew to Santa Clara, California, to be with their son, Eddie Joe, and his family for the New Year. Eddie Joe has one son, Vance Lee, who was one year old, Jan 1.

SOIL CONSERVATION

DISTRICT NEWS

Are you prepared for the critical moments when the rain comes on your farmland or are you shrugging off seemingly insignificant soil erosion signs. Were talking about those little finger gullies and silt bars that show up after a hard rain. Perhaps you've not been too concerned about them because your plow usually covers the traces the next trip over the field.

The hard truth is these could be costing you plenty! There is just bound to be a permanent cut in yield potential when valuable fertile top soil is washed from the field. A few small cuts each time, perhaps, but let's add them up over the years and you've got a big drop in your income.

The loss of productive topsoil is only part of the story. Along with it may be added a loss of seed, fertilizer, and labor. That's why the most critical moments in the life of your farm may well be those when the gully washer strikes!

What's the answer to the costly damage occurring during these critical hours? Let's consider the protection of a water and soil management program for benefits of: better and more uniform yield by reducing soil washing and eliminating persistent wet spots that delay growth or kill plants; easier operation of equipment and management of livestock by getting rid of deeper gullies that divide the farm into hard to operate small areas; and insured future productivity and value of your farm by keeping the topsoil on your land where it belongs.

Terraces as well as stubble mulch tillage and other treatments are valuable elements of water and soil management programs especially when used in combination. Your first problem when heavy rains strike is to slow runoff water and safely remove it from the fields. A terrace system will do this by holding the water back as much as 40 minutes after a hard downpour, allowing more time for sediment to settle and penetration and storage of water for the dry season that is sure to follow.

Does it work? Tests have shown that while terraced fields may have a drop in yield of as much as 20%, terraces with sound conservation practices permitted yields to double, while conservation practices alone increased production only 6%. Experiments have shown that terraces can pay for themselves within two years.

Diverted water may be used to give additional benefits in ponds as a supply of water for many uses.

If you feel you need a program check with a Soil Conservation District Supervisor at your SCS office.

CHAMBER OF COMMERCE banquet was held in the West Texas State college cafeteria last Thursday night. This is a typical group shot of the people being served. During the banquet, an award was presented to Canyon's Man of the

Year, Bill Wilson, an appreciation plaque to outgoing president Joe Gidden, and a painting to Congressman Walter Rogers which was painted by Dr. Emilio Caballero.

Mrs. Grace Gore of Powell, Wyoming, has been visiting in the home of her brother and his wife, Mr. and Mrs. Tom C. Gooch, Sr., during the holidays.

Edgar Tilcheck of Hereford was a Thursday evening visitor in the home of Mr. and Mrs. Arvin Triplett.

Mrs. Lee Terry of Wichita Falls is visiting in Canyon in the home of her sister, Mrs. O. L. Culbertson.

Mr. and Mrs. Arvin Triplett and Bill visited the Tommy Triplett of Claude on New Year's Day.

SUN PRINCESS -- Sydney Gayle Mills, Princess from West Texas State College to the 1961-1962 Southwestern Sun Carnival just completed in El Paso, is shown here in her formal princess gown with a trophy presented to her by El Paso Natural Gas Products as a lasting memento of the occasion.

Test Schedule Starts Monday

Enrollment for the spring semester at West Texas State College has been scheduled Jan. 23 and 24, according to Frank H. Morgan, registrar. Classes will start Jan. 25.

An orientation period for all students who have not previously attended WT will be held Jan. 22 at 8 a.m. in the Administration Building auditorium.

Students now attending WT begin preparations this week, "Dead Week," for final examinations, which are scheduled Jan. 15-18.

Throughout the week, until Saturday, present students will also be pre-registered by faculty and counselors, who will assist students in preparing schedules for the spring semester.

Examinations over the fall semester's work will begin Monday at 8 a.m. The two-hour tests will continue through Thursday. A schedule of the test periods is listed below:

MONDAY
8 MWF 8 a.m.
2:30 TTh 10 a.m.
9 MWF 1 p.m.
1 MWF 3 p.m.

TUESDAY
8 TTh 8 a.m.
1 TTh 10 a.m.
9:30 TTh 1 p.m.
2 MWF 3 p.m.
WEDNESDAY
10 MWF 8 a.m.
3 MWF 10 a.m.
11 MWF 1 p.m.
12 MWF 3 p.m.
THURSDAY
11 TTh 8 a.m.

Mr. and Mrs. L. H. Owens have had as guests in their home during the holidays their son, Lt. James F. Owens of the Naval Air Base, Jacksonville, Florida; and their daughter and granddaughter, Mrs. Suzanne Tatman and Cindy of Albuquerque, New Mexico.

Mr. and Mrs. Otho Fortner of Limon, Colorado, are in Canyon visiting with his mother, Mrs. A.W. Fortner, and in the homes of his sisters, Mrs. Ross Campbell and Mrs. Ed Money.

Mr. and Mrs. Carl W. Smith spent the weekend visiting in the home of relatives in Plainview.

Enrollment For Evening Classes Set

Registration for evening classes for the spring semester at West Texas State College has been set at 7 p.m. Jan. 24 in the Student Union Building, according to Roy G. Boger, director of evening classes.

"Students planning to attend particular classes should be signed up for the class at the first meeting," Boger said. "If a minimum of ten persons is not registered for the class at the first meeting, the class will have to be cancelled."

Evening classes are offered four nights of the week, Monday through Thursday, and meet from 7 until 9:40 p.m.

Among new courses being offered at night for the first time will be a course in astronomy, offered by the physics department, and taught by George Thomas of the Amarillo Helium Research Center. The course will be offered Monday nights, with a laboratory session each Thursday night.

Since the move to the Canyon campus of evening classes,

many laboratory science courses have been made possible by use of laboratory facilities, Dr. Boger said. Courses are now offered in physics, chemistry, biology, and geology. Other courses are now available in industrial arts, mathematics, and Bible.

Interviews for prospective sales employees for the Phillips Petroleum Co. will be held today at 9 a.m. in Room 102 in the Administration Building at West Texas State. Denny Willis will be in charge of the interviews.

Are You Up On Poll Tax Regulations?

WHO MAY VOTE IN TEXAS

Persons meeting the following requirements become "qualified electors" and are eligible to vote in Texas:

1. Twenty-one (21) years of age
2. U. S. citizen
3. Resident of Texas one year immediately preceding the election

4. Resident six months within the district or county.

5. Paid poll tax or obtained exemption certificate by January 31 preceding the election (Note: Qualifications are the same for party primaries and for general elections.)

HOW TO QUALIFY AS A VOTER

Other than minimum age, residence, and citizenship, here are actions a person must take to become a qualified voter:

1. Pay the poll tax by Jan 31
2. Those 60 years of age or older on January 1, 1961 (correct for this year), and living in a city of 10,000 population or more must obtain an exemption certificate from the county tax assessor - collector between Oct. 1 and Jan. 31.
3. Those 60 years or older, not living in a city of 10,000 or more, may either obtain

an exemption certificate (as above) or vote by affidavit at the polls on election day.

4. Those reaching age 21 after Jan. 31 may obtain an exemption certificate from the county tax assessor-collector at least 30 days prior to the election.

5. Those who have moved into Texas in the past year may obtain a "new-resident exemption" from the county tax assessor-collector by Jan. 31 and vote on it after they have completed a year's residence in Texas.

THE POLL TAX

The poll tax for the State is \$1.50, of which \$1 goes to the State Available School Fund and 50 cents to the State General Fund. Counties may assess an additional 25 cents, making a total of \$1.75.

When paid: For voting purposes, the poll tax must be paid between Oct. 1 and the following Jan. 31, inclusive.

When applicable: The poll tax receipt issued between Oct. 1, 1961, and Jan. 31, 1962, will be the tax receipt for 1961, but it may be used for voting during the 12 months from Feb. 1, 1962, to Jan. 31, 1963, inclusive.

clusive.

Where paid: To the county tax assessor-collector in the county where the voter maintains legal residence, or to one of his deputies.

How paid: At the tax collector's office in person. Or, in larger counties the collector usually designates, on request, various organizations or groups as deputies for the tax collection, thus decentralizing the collection job and making it easier for more persons to qualify as voters. Deputies may receive the payment and transmit it to the tax collector, who in turn issues the official receipt by mail from his office.

(Note: A husband may pay his wife's poll tax and receive the receipt, and vice versa.)

WHEN TO VOTE

Most election dates are established by law, but certain special elections which are of equal importance may be called at any time.

1. In precinct conventions, in even numbered years, on the first Saturday in May. This is the same date for the nominating first primaries held by the Democratic and Republican

parties. You may attend only the precinct convention of the party in whose primary you voted.

2. First party primary--first Saturday in May, even numbered years.

3. Second or runoff primary--first Saturday in June, even numbered years.

4. General elections--in even numbered years, first Tuesday after the first Monday in November.

5. Presidential elections--every four years (divisible by four), first Tuesday after the first Monday in November.

6. Municipal elections--first Tuesday in April, except those home rule charter cities which set different dates.

7. School trustee elections--first Saturday in April, except as set out in special statutes governing a few large counties.

8. Special elections--bond elections or elections to fill vacancies in certain offices may be called at any time, with due notice prescribed by law. Only property owners may vote in bond elections.

WHERE TO VOTE

In the precinct in which you are registered, as shown by the precinct number on your poll tax receipt.

These exceptions apply:

1. Persons 60 years of age or older, not living in a city of 10,000 population or more, may vote by affidavit wherever he lives on election day.
2. Absentee voting (see section on absentee voting).
3. Persons who have moved from one precinct to another since payment of the poll tax should have their names transferred to their new precinct by the county tax assessor-collector at least four days prior to the election in which they seek to vote in cities of 10,000 or more.

(Note: Teachers employed away from their legal residences, where they paid their poll tax, may vote either by returning to their precincts on election day, or by requesting an absentee ballot.)

PROCEDURE FOR VOTING

1. If it is a party primary, vote in the primary of the party of your choice.
2. Take your poll tax or exemption certificate with you to the polling place in your precinct designated for the party of your choice.
3. Announce your name and hand your poll tax receipt or exemption certificate to the election clerk (or make affidavit). Before handing it back to you, the clerk will stamp it on the back to indicate that you have voted on that date. The first

time you vote in a party primary, your receipt or certificate also will be stamped on the front (in the place for it) either "Democratic" or "Republican," depending on which primary you voted in.

4. If you have lost either the receipt or the certificate, you may make an affidavit to that effect (a form is available for signature) and vote. (Your name should appear on a certified list of qualified voters in that precinct.)

For paper ballots

5. Pick up your own ballot (it need not be the next one in numerical order), take it to the voting booth, and mark it.

6. Tear off the numbered stub and write your name on the back, allowing no one to see the number.

7. Deposit the stub in a box designated for it, and place the ballot itself in a separate box for it.

For voting machines

8. You may request help in operating the machine if you are unfamiliar with it, but no one may attempt in any way to influence your vote. All conversation must be in the English language.

9. The curtain on the voting machine may be kept closed only two minutes.

Write-in votes

10. Paper ballots--scratch out all names listed on the ballot for that office and write the name of your choice beside the office designation. On the general election ballot, use the column for write-in votes.

11. Machine voting--write in your choice on paper provided on the machine.

ABSENTEE VOTING

1. Who: Any "qualified elector" may be absentee under these conditions: (a) if he is absent from his precinct on election day, or (b) if illness or physical disability prevents him from going to the polls in person to vote.

2. When: Application for an absentee ballot must be made from three to 20 days before the primary or election.

3. How:

(a) Sick and disabled persons may receive absentee ballots by mail within the county of their residence.

(b) Voters absent from the

county may vote by mail if they apply from outside the county where they maintain legal residence.

(c) If they expect to be within the county during the absentee voting period, they must vote in person at the county clerk's office.

In (a) and (b) the ballot is to be marked in the presence of a notary public and returned to the county clerk before 1 p.m. on election day.

4. Poll tax: Application for a mailed ballot must be accompanied by the voter's poll tax receipt (which will be returned by mail) and, if ill or disabled, a doctor's certificate to that effect.

Summary: A teacher away from the county of his legal residence may write for an absentee ballot during the prescribed period, or may return to his county of residence to vote during the absentee voting period, or may return on election day to cast his ballot at the polls.

WHO WILL BE ELECTED IN 1962?

Statewide Races, Six-Year Terms
Associate justices (3) of the State Supreme Court
Judge, State Court of Criminal Appeals
Member, Texas Railroad Com-

mission
Two-Year Terms
Governor
Lieutenant Governor
Attorney General
Comptroller
Land Commissioner
Treasurer

Commissioner of Agriculture
Member, Railroad Commission (unexpired term)
23rd member of Congress, at-large.

District Races

Courts of Civil Appeals: In each of the 11 such districts in Texas (three judges on each court) one judge is elected each two years for a six-year term. U.S. Congressmen: Each of Texas' 23 members of Congress is elected for two-year terms. The new 23rd congressman will be elected at-large, by statewide vote, because there was no congressional redistricting in Texas based on the 1960 census.

State Senators: All 31 Senators to be elected in 1962. They will draw lots for two- and four-year terms. Those drawing two-year terms will run again in 1964 for four-year terms.

State Representatives: The 150 members of the Texas House of Representatives are elected for two-year terms, and each position will be voted on in

1962. (Note redistricting changes for both Senators and Representatives.)

County: All county officers now are elected for four-year terms. Half of the officials will be up for election this year.

Section 5, Article VI of the Texas Constitution provides: "Voters shall, in all cases except treason, felony or breach of the peace, be privileged from arrest during their attendance at elections and in going to and returning therefrom."

IMPORTANT DATES
Wednesday, Jan. 31 - LAST DAY TO PAY POLL TAX OR OBTAIN EXEMPTION.
Monday, Feb. 5 - Last day for candidates to file with party executive committees for nomination to all offices up for election this year.

Saturday, May 5 - First primaries for both Democratic and Republican parties.

Saturday, May 12 - Precinct conventions, both parties.

Saturday, May 12 - County conventions, both parties.

Saturday, June 2 - Second primaries (runoffs), both parties.

Tuesday, Sept. 11 - State conventions, both parties.

Tuesday, Nov. 6 - General election, with nominees from all parties.

HERE ARE 2 OF THE NEW
JET-SMOOTH CHEVROLETS

WHICH ONE IS THE CONVERTIBLE AND WHICH THE HARDTOP?

Top one's our new Impala Sport Coupe whose steel roof line is a dead ringer for the Impala Convertible's below. But after rich new styling, what? In glamor and go, comfort and craftsmanship, here's all you'd reasonably expect of an expensive car. Except the expense.

Slip inside a Jet-smooth Chevrolet, relax and just notice how good you feel. Ready for action? Just flick the key and let'er purr (your choice of two standard engines—a 135-hp 6 or 170-hp V8—or optional-at-extra-cost V8's way up to a 409-hp

mile-shrinker). That gentle cradling motion you enjoy is Jet-smooth ride at work. And the rich interior and neat craftsmanship are Body by Fisher at work. Have your dealer give you the whole story. That's the work he loves best.

See the new Chevrolet, new Chevy II and new Corvair at your Chevrolet dealer's One-Stop Shopping Center
